Wallace Stegner

The Spectator Bird Wallace Stegner, 2017-03-21 This tour-de-force of American literature and a winner of the National Book Award is a profound, intimate, affecting novel from one of the most esteemed literary minds of the last century and a beloved chronicler of the West. Joe Allston is a cantankerous, retired literary agent who is, in his own words, just killing time until time gets around to killing me. His parents and his only son are long dead, leaving him with neither ancestors nor descendants, tradition nor ties. His job, trafficking the talent of others, has not been his choice. He has passed through life as a spectator, before retreating to the woods of California in the 1970s with only his wife, Ruth, by his side. When an unexpected postcard from a long-lost friend arrives, Allston returns to the journals of a trip he has taken years before, a journey to his mother's birthplace where he once sought a link with his past. Uncovering this history floods Allston with memories, both grotesque and poignant, and finally vindicates him of his past and lays bare that Joe Allston has never been quite spectator enough.

The Spectator Bird Wallace Stegner, 1979 Retired literary agent Joe Allston passes through life as a spectator until he discovers the journals of a trip he took to his mother's birthplace years before.

All the Little Live Things Wallace Stegner, 1991-12-01 Joe Allston, the retired literary agent of Stegner's National Book Award-winning novel, *The Spectator Bird*, returns in this disquieting and keenly observed novel. Scarred by the senseless death of their son and baffled by the engulfing chaos of the 1960s, Allston and his wife, Ruth, have left the coast for a California retreat. And although their new home looks like Eden, it also has serpents: Jim Peck, a messianic exponent of drugs, yoga, and sex; and Marian Catlin, an attractive young woman whose otherworldly innocence is far more appealing—and far more dangerous.

The Big Rock Candy Mountain Wallace Stegner, 2013-04-04 Bo Mason, his wife, Elsa, and their two boys live a transient life of poverty and despair. Drifting from town to town and from state to state, the violent, ruthless Bo seeks out his fortune - in the hotel business, in new farmland and eventually, in illegal rum-running through the treacherous back roads of the American Northwest. In this affecting narrative, Wallace Stegner portrays more than thirty years in the life of the Mason family as they struggle to survive during the lean years of the early twentieth century. Wallace Stegner was the author of, among other works of fiction, *Remembering Laughter* (1973); *Joe Hill* (1950); *All the Little Live Things* (1967, Commonwealth

Club Gold Medal); *A Shooting Star* (1961); *Angle of Repose* (1971, Pulitzer Prize); *The Spectator Bird* (1976, National Book Award); *Recapitulation* (1979); *Crossing to Safety* (1987); and *Collected Stories* (1990). His nonfiction includes *Beyond the Hundredth Meridian* (1954); *Wolf Willow* (1963); *The Sound of Mountain Water* (essays, 1969); *The Uneasy Chair: A Biography of Bernard deVoto* (1964); *American Places* (with Page Stegner, 1981); and *Where the Bluebird Sings to the Lemonade Springs: Living and Writing in the West* (1992). Three short stories have won O.Henry prizes, and in 1980 he received the Robert Kirsch Award from the Los Angeles Times for his lifetime literary achievements.

Crossing to Safety Wallace Stegner, 2002-04-09 Introduction by Terry Tempest Williams Afterword by T. H. Watkins Called a “magnificently crafted story . . . brimming with wisdom” by Howard Frank Mosher in *The Washington Post Book World*, *Crossing to Safety* has, since its publication in 1987, established itself as one of the greatest and most cherished American novels of the twentieth century. Tracing the lives, loves, and aspirations of two couples who move between Vermont and Wisconsin, it is a work of quiet majesty, deep compassion, and powerful insight into the alchemy of friendship and marriage.

A Shooting Star Wallace Stegner, 1996-11-01 Sabrina Castro, an attractive woman with a strong New England heritage, is married to a wealthy, older California physician who no longer fulfills her dreams. An almost accidental misstep leads her down the slow descent of moral disintegration, until there is no place for her to go but up and out. How Sabrina comes to terms with her life is the theme of this absorbing personal drama, played out against the background of an old Peninsula estate where her mother lives among her servants, her memories of Boston, and her treasured family archives. *A Shooting Star* displays the storytelling powers that Wallace Stegner's fans have enjoyed for more than half a century.

Marking the Sparrow's Fall Wallace Stegner, 1998 The first collection published since his death in 1993 contains 15 never-before-published essays by Stegner, a little-known novella, and his most powerful and best-known essays on the American West.

The American West as Living Space Wallace Stegner, 1987 A passionate work about the fragile and arid West that Stegner loves

On Teaching and Writing Fiction Wallace Stegner, 2002-12-03 Wallace Stegner founded the acclaimed Stanford Writing Program—a program whose alumni include such literary luminaries as Larry McMurtry, Robert Stone, and Raymond Carver. Here Lynn Stegner brings together eight of Stegner's previously uncollected essays—including four never-before-published pieces—on writing fiction and teaching creative writing. In this unique collection he addresses every aspect of fiction writing—from the writer's vision to his or her audience, from the use of symbolism to swear words, from the mystery of the creative process to the recognizable truth it seeks finally to reveal. His insights will benefit anyone interested in writing fiction or exploring ideas about fiction's role in the broader culture.

Angle of Repose Wallace Stegner,2014-11-04 An American masterpiece and iconic novel of the West by National Book Award and Pulitzer Prize winner Wallace Stegner—a deeply moving narrative of one family and the traditions of our national past. Lyman Ward is a retired professor of history, recently confined to a wheelchair by a crippling bone disease and dependant on others for his every need. Amid the chaos of 1970s counterculture he retreats to his ancestral home of Grass Valley, California, to write the biography of his grandmother: an elegant and headstrong artist and pioneer who, together with her engineer husband, made her own journey through the hardscrabble West nearly a hundred years before. In discovering her story he excavates his own, probing the shadows of his experience and the America that has come of age around him.

Stegner Wallace Stegner,Richard W. Etulain,2012-06-01 Wallace Stegner, a major American novelist and conservationist, is interviewed by Etulain, a renowned Western scholar, in a series of discussions. Originally published in 1983 and entitled *Conversations with Wallace Stegner on Western History and Literature*, this book is the ultimate Stegner interview. New foreword by Stewart Udall.

A Literary History of the American West Western Literature Association (U.S.),1987 Literary histories, of course, do not have a reason for being unless there exists the literature itself. This volume, perhaps more than others of its kind, is an expression of appreciation for the talented and dedicated literary artists who ignored the odds, avoided temptations to write for popularity or prestige, and chose to write honestly about the American West, believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance.

Conversations with Wallace Stegner on Western History and Literature Wallace Stegner,Richard W. Etulain,1983 A revised edition with an extended new interview illuminating Stegner's reactions to the changes that flooded over the American West in the 1980s. The Selected Letters of Wallace Stegner Wallace Stegner,2007-11 Wallace Stegner, recipient of the Pulitzer Prize in 1972, was a great writer. As an author, historian, teacher, and environmentalist, he influenced countless prominent

individuals during his long life. Showcasing some of those relationships, these letters (written between 1933 and 1993) cover a broad range of topics, including literature, history, conservation, and Stanford. Here are letters to colleagues, like Ansel Adams, friends and family, as well as many students who went on to become well-respected authors, among them Wendell Berry, John Daniel, Barry Lopez, William Kittredge, and Robert Stone. In 1946 he founded the prestigious Stegner Fellowship Program. In 1961, his memos to then Secretary of the Interior Stewart Udall set the tone and agenda for what would become the modern environmental movement. Here, in their entirety, are the letters that track it all. For a man who had no interest in writing an autobiography, they offer an inside look at his unedited thoughts and opinions, and to a factual narrative untransformed by the literary imagination, to life lived before being lived, writes his son Page Stegner in his introduction. Here is history as told through correspondence with people who helped shape literature, politics, and environmentalism in the twentieth century.

Recapitulation Wallace Stegner, 2018-01-16 A classic novel from the Pulitzer Prize-winning author of *Angle of Repose* and *Crossing to Safety*. Here is the incredible, moving sequel to the bestselling *Big Rock Candy Mountain* by the dean of Western writers (*The New York Times*). Bruce Mason returns to Salt Lake City not for his aunt's funeral, but to encounter the place he fled in bitterness forty-five years ago. A successful statesman and diplomat, Mason had buried his awkward childhood and sealed himself off from the thrills and torments of adolescence to become a figure who commanded international respect. Both the realities of the present recede in the face of ghosts of his past. As he makes the perfunctory arrangements for the funeral, we enter with him on an intensely personal and painful inner pilgrimage: we meet the father who darkened his childhood, the mother whose support was both redeeming and embarrassing, the friend who drew him into the respectable world of which he so craved to be a part, and the woman he nearly married. In this profound book, the sequel to the bestselling *The Big Rock Candy Mountain*, Wallace Stegner has drawn an intimate portrait of a man understanding how his life has been shaped by experiences seemingly remote and inconsequential.

The Sound of Mountain Water Wallace Stegner, 1997 The essays, memoirs, letters, and speeches in this volume were written over a period of twenty-five years, a time in which the West witnessed rapid changes to its cultural and natural heritage, and Wallace Stegner emerged as an important conservationist and novelist. This collection is divided into two sections: the first features eloquent sketches of the West's history and environment, directing our imagination to the sublime beauty of such places as San Juan and Glen Canyon; the concluding section examines the state of Western literature, of the mythical past versus the diminished present, and analyzes the difficulties facing any contemporary Western writer. *The Sound of Mountain Water* is both a hymn to the Western landscape, an affirmation of the hope embodied therein, and a careful investigation of the West's cultural and natural legacy.

Where the Bluebird Sings to the Lemonade Springs Wallace Stegner, 2002-04-09 Nominated for a National Book

Critics Circle award, *Where the Bluebird Sings to the Lemonade Springs* gathers together Wallace Stegner's most important and memorable writings on the American West: its landscapes, diverse history, and shifting identity; its beauty, fragility, and power. With subjects ranging from the writer's own "migrant childhood" to the need to protect what remains of the great western wilderness (which Stegner dubs "the geography of hope") to poignant profiles of western writers such as John Steinbeck and Norman Maclean, this collection is a riveting testament to the power of place. At the same time it communicates vividly the sensibility and range of this most gifted of American writers, historians, and environmentalists.

Utah Historians and the Reconstruction of Western History Gary Topping, 2003 Among historians of Utah and the American West, few names have greater resonance than Bernard DeVoto, Dale Morgan, Juanita Brooks, Wallace Stegner, and Fawn Brodie. Each of these writers made enduring contributions not only to our knowledge of the American West but also to our view of the region and its history. In many ways their writing set the standard for scholarship and interpretation, and their influence is still felt today. Yet they were not flawless. As Gary Topping explains in this, the first comprehensive appraisal of their work, each had serious shortcomings. DeVoto and Stegner, master storytellers, distorted their histories with excessive use of literary and artistic techniques; Morgan, the thorough researcher, failed to see larger contexts and interpretive possibilities; Brooks, courageous in finding damning new information on the Mountain Meadows massacre, stopped short of drawing conclusions that might alienate her from her fellow Mormons; and Brodie, psychobiographer extraordinaire, nonetheless succumbed to reading too much into the lives of her subjects based on her own emotions and conflicts. All five writers experienced Mormon Utah in the formative stages of their lives and, whether they wanted to or not, fashioned their work on the American West under that indelible influence. Topping shows ultimately how, despite weaknesses, each created exemplary models of diligent research and narrative elegance while establishing new traditions in western historical scholarship.

Wallace Stegner Wallace Stegner, 1995 Nominated for a National Book Critics Circle award, *Where the Bluebird Sings to the Lemonade Springs* gathers together Wallace Stegner's most important and memorable writings on the American West: its landscapes, diverse history, and shifting identity; its beauty, fragility, and power. With subjects ranging from the writer's own migrant childhood to the need to protect what remains of the great western wilderness (which Stegner dubs the geography of hope) to poignant profiles of western writers such as John Steinbeck and Norman Maclean, this collection is a riveting testament to the power of place. At the same time it communicates vividly the sensibility and range of this most gifted of American writers, historians, and environmentalists.
