

The Girl Who Looked Beyond The Stars

Charles Peters

The Girl Who Looked Beyond The Stars L B Anne, 2019-10-28 This story is a captivating blend of science fiction, fantasy, and mystery. For 11-13-year-old readers that enjoy books such as *A Wrinkle In Time*. What am I? Sheena Meyer is the girl that brings an extra sandwich to school each day just in case someone doesn't have lunch. She's also the girl that questions and investigates everything, driving her parents and teachers nuts. She spends most days waiting for some grand event to happen and change her life. But this isn't what she had in mind. The Murk is coming for her because of a gift she doesn't know she has. Nine years ago an angel appeared in front of select kids all over the world. In Michigan, it appeared in a willow tree in front of a four-year-old little girl. She's the only child that saw it, the one with the gift. Sheena is now thirteen and has since forgotten what she saw. But things change when her father is in a terrible accident, and she witnesses a supernatural being save him. I saw what you did. Come back! An elderly man, the arrival of a peculiar new kid at school, and mysterious text messages will change everything Sheena has ever believed in, sweeping her out of a humdrum, teenage existence, and setting in motion what one little girl's destiny can mean to the world.

The Girl Who Captured the Sun L. B. Anne, 2020-05-18 She believed in angels. Soon everyone will. Is one gleamer enough to confront the Murk head-on in this third installment of the Sheena Meyer series? In *The Girl Who Spoke to the Wind*, Sheena fought against thoughts of fear and defeat--mind games used by the Murk to make her lose hope. She and her friends faced Luke Tobias and risked their lives to save Dingy and the missing children. But it's clear the fight against the Murk has just begun. Sheena sees the Murk everywhere; at her school dance and in her classroom. Only this time, someone else sees it

too. If angels are with her, Sheena can't tell. She hasn't received a text or any form of contact from her angel. It worries her so much that she's having nightmares and believes she is no longer a gleamer. She turns to the Lumen for answers, the strange book left to her by Mr. Tobias. It's written in a language only she can decipher and unfolds a destiny she's not ready to accept. At that back are blank pages that fill as the Murk gets stronger. Sheena fears there's no hope. Can she figure out what the Brilliant light is that the Lumen speaks of in time to save her friends? *The Girl Who Captured the Sun* is the third book in the Sheena Meyer adventure series. It's a perfect fit for readers who love fast-moving page-turners with memorable characters.

The Girl Who Spoke to the Wind L B Anne,2019-12-03 To save the people she loves, Sheena must dare to look where she's most afraid and put her trust in angels. The mystery continues in this second installment of the Sheena Meyers series. Sheena learns her family has been hiding something from her. Something BIG. Ever since the day she first saw the being in the hospital, another world now exists for Sheena. A world where the Murk is carried with the wind, angels send text messages, and she is almost killed while witnessing a kidnapping. Now Sheena and her two best friends, Chana and Theodore, begin a dangerous investigation to answer Sheena's three big questions: Who am I? What do I believe? Are we danger? The truth is unsettling and remarkable and will turn their world upside down. Sheena must call on her courage and fight for her classmates. Can one thirteen-year-old save missing children and stop an evil that plagues the city?
