Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been “Spiritualized” for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today’s Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, “Is the Bible only about Israel?” And, if so, how does it affect our Eschatology today? This book answers these hard questions...

Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960’s, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the

Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

Foundations of the Faith - Teacher's Manual PDF Dr. Paul G. Caram, 2020-01-23 It has been said that our doctrine will determine our destiny. This teacher manual is based on Dr. Paul Caram's book Foundations of the Faith. In his study of the doctrines of the Bible, Dr. Caram will explore the main doctrines upon which the Christian church is founded, giving us keys to recognizing right doctrine and how we can be transformed to be "living epistles," having the law of God written upon our hearts.

Evidence for the Rapture John Hart, 2015-07-24 Is the rapture still going to happen? And if so, when? With contributing scholars from schools like Moody Bible Institute, Dallas Theological Seminary, and The Master's Theological Seminary, Evidence for the Rapture is a convincing and thoroughly biblical case for the rapture. This collection of exegetical essays looks at the rapture from a number of biblical angles: the words of Jesus in the Gospels, Paul's teachings in the epistles, and even prophetic and apocalyptic literature. In sound exegetical technique, the authors corroborate Scripture's main teachings on the end times to provide a trustworthy and concise treatment of a multi-faceted issue. For the last several hundred years, the doctrine of a pretribulation rapture has been a fixture in many churches and institutions. Evidence for the Rapture is a fresh polish upon this long-standing doctrine.

Biblical Eschatology, Second Edition Jonathan Menn, 2018-03-07 Biblical Eschatology provides what is not found in any other single volume on eschatology: it analyzes all the major eschatological passages (including the Olivet Discourse and the book of Revelation), issues (including the second coming of Christ, the millennium, the rapture, and Antichrist), and positions (including all the major views of the millennium) in a clear, but not superficial, way. The book concludes with a chapter

showing how eschatology is relevant for our lives. Biblical Eschatology makes understanding eschatology easier by including chapters on how to interpret prophecy and apocalyptic literature, by showing the history of eschatological thought, and by placing eschatology in the context of the Bible's overall story line and structure. Clarity and understanding are enhanced by the use of comparative tables and appendices. Subject and Scripture indexes are included. The book interacts with the best of Evangelical and Reformed scholarship, and the extensive bibliography (which includes the web addresses of many online resources) provides an excellent source for the reader's further study. This is a perfect resource for intelligent Christians, including pastors, students, and teachers, who desire to understand eschatology and to see how it fits together with the rest of the Bible.

The Book of Revelation Through Hebrew Eyes Vol 2 John Klein, Adam Spears, 2009-06 This is the second book in a three-volume series that will cover the entire book of Revelation in awe-inspiring detail, expounding and expanding on familiar verses in God's word that have been misunderstood and misconstrued for many years. In this volume, the authors explore the first half of Revelation from the perspective they established so clearly in Volume i - that of a Hebrew God speaking through a Hebrew believer to an audience that was intimately familiar with the Hebrew language, culture, customs, and concepts that form both the literal and the metaphorical foundation for vast portions of Revelation.

Revelation of Christ in Scripture Textbook Sophia Institute for Teachers,

The Revelation Oliver B. Greene ,2015-11-20 The principle upon which this verse-by-verse study of Revelation proceeds, is that the contents of the book are, in the main, yet future and that the fulfillment of the greater part of Revelation cannot take place as long as the Church remains here on earth. When the Lord JESUS comes in the Rapture, and the Church is caught up to meet Him in the air, then the events in Revelation from chapter four through chapter twenty-two will occur. The New Testament Church—CHRIST's body and His bride—is now in the process of being called out and will be completed when the Rapture occurs. This is known as the Church Age—or the Dispensation of Grace. During this dispensation, both Jews and Gentiles are being saved and they all become members of the same body (I Corinthians 12:12-13). The New Testament Church is not a subject of prophecy, but is a New Testament revelation (Matthew 16:16-17, Ephesians 3). Before our very eyes in this day, political and religious events are taking place which point to the end of this age of grace. But after the Rapture the seventieth week of Daniel's prophecy (Daniel 9:27) will bring about startling changes here on this earth. The entire political system will be rearranged under Satan's prime minister—the Beast of Revelation. A gigantic confederation of ten powers will rule. The old Roman Empire in all of its power and glory will appear under new conditions. It will be guided and controlled by the "Little Horn" of Daniel 7, known in the New Testament as the Beast. His partner in murder and crime is the Antichrist, who will be the religious dictator and the head of the world church which is now in the making. What the Beast does politically, the Antichrist will do religiously. The two will control all political and religious activity here on earth. Bear in mind that this takes place after the Rapture of the church (Revelation 3:10; I Thessalonians 5:9). Just before the King of Kings overthrows the Beast and the Man of Sin, everything that is vile religiously will head up under the leadership of the whore (the mystical Babylon). Mystical Babylon will be overthrown by the ten kings (Revelation 17:16) who at first were with her and upheld her in all of her vileness, but who later turn to destroy her. The ruin of "the great whore" is lamented by the kings, the merchants, and the people outside the Roman Empire (Revelation 18:9-18). The final destruction and annihilation of the great whore will be by Almighty God Himself (Revelation 18:2, 21-24). This will take place shortly before the destruction of the Beast. The Beast will be destroyed by the Lord in person when He comes in mighty power (read Revelation 19). The destruction of mystical Babylon and the destruction of the Beast are separate events. The destruction of mystical Babylon precedes the destruction of the Beast. The events recorded in Revelation chapters four and following cannot take place as long as the Church is here on earth. Evil at the present is actively at work, and the mystery of iniquity is already

working. But the mystery of iniquity is restrained, kept in check, by the Holy Spirit (II Thessalonians 2:6, 7). The presence of the New Testament Church and the presence of the HOLY GHOST restrain the development of the “mystery of iniquity!” The church of the Antichrist cannot be revealed and “the faith” cannot be totally annihilated from the visible Church until the church at Philadelphia (Revelation 3:7) is raptured to meet the Lord in the air, and until the Laodiceans are spued out and remain here on the earth. However, the principles are at work which are surely and rapidly undermining the moral foundations of the professing church and of society in general. The stage is set and the higher critics are doing all in their power to undermine the faith.

Revelation for Everyone N. T. Wright, 2011-01-01 N. T. Wright has undertaken a tremendous task: to provide guides to all the books of the New Testament, and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion, with background information, useful explanations and suggestions, and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study, or daily devotions.

Studies in the Book of Revelation Stephen Alexander Hunter, 1928

Studies In The Book of Revelation Stephen Alexander Hunter, 2021-01-01 Stephen Alexander Hunter's 'Studies in the Book of Revelation' provides clear and accurate results of the investigation of modern scholars, in language which is comprehensible to the intelligent reader of the English Bible. The Revelation of St. John has been an enigma from the earliest Christian centuries. On the one hand, it has been shunned because of its mysteriousness; on the other, it has been discredited for sober-minded, intelligent Christians by the absurd vagaries of its interpreters.
