

The Minister Of Truth

JR Anderson

The Ministry of Truth Dorian Lynskey, 2019-06-04 Rich and compelling. . . Lynskey's account of the reach of 1984 is revelatory." --George Packer, The Atlantic An authoritative, wide-ranging, and incredibly timely history of 1984--its literary sources, its composition by Orwell, its deep and lasting effect on the Cold War, and its vast influence throughout world culture at every level, from high to pop. 1984 isn't just a novel; it's a key to understanding the modern world. George Orwell's final work is a treasure chest of ideas and memes--Big Brother, the Thought Police, Doublethink, Newspeak, 2+2=5--that gain potency with every year. Particularly in 2016, when the election of Donald Trump made it a bestseller (Ministry of Alternative Facts, anyone?). Its influence has morphed endlessly into novels (The Handmaid's Tale), films (Brazil), television shows (V for Vendetta), rock albums (Diamond Dogs), commercials (Apple), even reality TV (Big Brother). The Ministry of Truth is the first book that fully examines the epochal and cultural event that is 1984 in all its aspects: its roots in the utopian and dystopian literature that preceded it; the personal experiences in wartime Great Britain that Orwell drew on as he struggled to finish his masterpiece in his dying days; and the political and cultural phenomena that the novel ignited at once upon publication and that far from subsiding, have only grown over the decades. It explains how fiction history informs fiction and how fiction explains history.

Visions of Truth Mara Lief Crabtree,2023-11-30 This book is the first ever written on the meaning and value of using art forms in the ministry of spiritual direction. The use of art by spiritual directors has the capacity to deepen understanding and enrich the full experience of spiritual direction. Included are the biblical, theological, and very practical aspects related to the use of art: how these truths are expressed in various genres of art and in ways that bring depth of knowledge, wisdom, and guidance in understanding one's relationship with God and others, as well as the possibilities for further growth and maturity in those relationships. The text is written for spiritual directors, their mentors, and supervisors, and for those receiving the ministry of direction. It provides encouragement and is instructive for all those desiring to increase their knowledge, understanding, and level of experience in the profound opportunities for individuals' spiritual formation, conformation, and transformation in the ministry of spiritual direction.
