The Red Shoes Hans Christian Andersen,2020-03-12 There was once a poor little girl called Karen. In summer, she walked barefoot and in winter, she wore clogs that hurt her feet. She had no choice, it was all she had. Dame Shoemaker wanted to help her and sewed, as best she could, a pair of red shoes. When she wore them for the first time, Karen's life took an unexpected turn. Hans Christian Andersen (1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales include The Emperor's New Clothes, The Little Mermaid, The Nightingale, The Steadfast Tin Soldier, The Snow Queen, The Ugly Duckling and The Little Match Girl. His books have been translated into every living language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have been adapted to stage and screen countless times, most notably by Disney with the animated films The Little Mermaid in 1989 and Frozen, which is loosely based on The Snow Queen, in 2013. The Red Shoes - The Golden Age of Illustration Series Hans Christian Andersen,2015-12-09 This volume of the Golden Age of Illustration Series contains Hans Christian Andersen's 'The Red Shoes'. This classic fairy tale has been continuously in print in different editions since its first publication, with many, many, different artists illustrating the story over the years. This edition features a beautiful collection of the best of that art, taken from the likes of Arthur Rackham, Edmund Dulac,

Harry Clarke, Honor Appleton, Jennie Harbour, among others. This series of books celebrates the Golden Age of Illustration. During this period, the popularity, abundance and - most importantly - the unprecedented upsurge in the quality of illustrated works marked an astounding change in the way that publishers, artists and the general public came to view this hitherto insufficiently esteemed art form. The Golden Age of Illustration Series, has sourced the rare original editions of these books and reproduced the beautiful art work in order to build a unique collection of illustrated fairy tales. 'The Red Shoes' was first published in April of 1845, as part of Andersen's New Fairy Tales: First Volume, Third Collection. Andersen explained the source of the story as being an incident he had witnessed as a small child. His father, he stated, had been sent a piece of red silk by a rich lady, who wanted the material converted into a pair of dancing slippers. Andersen's father produced the slippers, but the rich woman was horrified at the result, and in reaction to her harsh criticism, he cut the shoes up in front of her.

The Red Shoes Pamela Hutchinson, 2023-10-05 Endlessly fascinating, dark and bright, *The Red Shoes* (1948) employs every branch of the cinematic arts to sweep the audience off its feet, invigorated by the transcendence of art itself, only to leave them with troubling questions. Representing the climax of Michael Powell and Emeric Pressburger's celebrated run of six exceptional feature films, the film remains a beloved, if unsettling and often divisive, classic. Pamela Hutchinson's study of the film examines its breathtaking use of Technicolor, music, choreography, editing and art direction at the zenith of Powell and Pressburger's capacity for 'composed cinema'. Through a close reading of key scenes, particularly the film's famous extended ballet sequence, she considers the unconventional use of ballet as uncanny spectacle and the feminist implications of the central story of female sacrifice. Hutchinson goes on to consider the film's lasting and wide-reaching influence, tracing its impact on the film musical genre and horror cinema, with filmmakers such as Joanna Hogg, Sally Potter, Martin Scorsese and Brian De Palma having cited the film as an inspiration.

The Complete Fairy Tales and Stories Hans Christian Andersen, 1983-08-09 This definitive collection of work from Hans Christian Andersen—one of the immortals of world literature—not only includes his own notes to his stories but is the only version available in trade paperback that presents Andersen's fairy tales exactly as he collected them in the original Danish

edition of 1874. Recognizing the literary merit of Andersen's own simple colloquial language, which Victorian translators and their imitators very often altered to sentimentalize or vulgarize, translator Erik Haugaard has remained faithful to the original text. The fairy tales Hans Christian Andersen wrote, such as *The Snow Queen*, *The Ugly Duckling*, *The Red Shoes*, and *The Nightingale*, are remarkable for their sense of fantasy, power of description, and acute sensitivity, and they are like no others written before or since. Unlike the Brothers Grimm, who collected and retold folklore, Andersen adopted the most ancient literary forms of the fairy tale and the folktale and distilled them into a genre that was uniquely his own.

David Bowie and the Art of Music Video Lisa Perrott, 2023-07-27 The first in-depth study of David Bowie's music videos across a sustained period takes on interweaving storyworlds of an iconic career. Remarkable for their capacity to conjure elaborate imagery, Bowie's videos provide fascinating exemplars of the artistry and remediation of music video. When their construction is examined across several years, they appear as time-travelling vessels, transporting kooky characters and strange story-world components across time and space. By charting Bowie's creative and collaborative process across five distinct phases, *David Bowie and the Art of Music Video* shows how he played a vital role in establishing music video as an artform. Filling a gap in the existing literature, this book shines a light on the significant contributions of directors such as Mick Rock, Stanley Dorfman and David Mallet, each of whom taught Bowie much about how to use the form. By examining Bowie's collaborative process, his use of surrealist strategies and his integration of avant-garde art with popular music and media, the book provides a history of music video in relation to the broader fields of audiovisual media, visual music and art.
