The Tower and the Hive Anne McCaffrey, 2000-05-01 A LEGENDARY FAMILY For generations, the descendants of the powerful telepath known as The Rowan have used their talents to benefit humanity. As human civilization reached out to colonize the stars, the family led Earth to ally itself with the peaceful alien Mrdini. Together, the two races have held back the predatory Hivers, who once decimated entire worlds. THE NEW ORDER But there are factions on Earth who resent the power the family has accumulated. Now, with their goals of peace and prosperity so close at hand, The Rowan's descendants face the looming destruction of all they have suffered to achieve...

Lyon's Pride Anne McCaffrey, 1995-02-01 A DESTRUCTIVE SPECIES The Hive acts as a single entity, relentlessly swarming the galaxy, endlessly propagating on every habitable world they encounter—destroying native populations in the process. They do not recognize any sentience but their own. They do not acknowledge any attempt to communicate with them. They do not understand they leave countless numbers of dead in their wake. A FAMILY LEGACY The Prime Talents of the Raven-Lyon clan—telepaths, teleporters, and telekinetics—have protected the Alliance from the Hive breeding contagion for years. Now a fleet orbits the alien homeworld to prevent them from leaving, and a Hive queen and her eggs are in captivity and quarantined. And unless the Raven-Lyons break the language barrier between Human and Hive, the Alliance may have no choice but to eliminate their entire race...

Damia Anne McCaffrey, 1993-02-01 New York Times bestselling fantasy author Anne McCaffrey “interweaves an engrossing romance with a coming-of-age story”(Publishers Weekly) in this novel in the Tower and Hive series. Damia is the daughter of Prime Talents The Rowan and Jeff Raven. Her own telepathic and telekinetic abilities manifested at an early age, unimaginable powers even greater than her parents', challenging to wield much less control. As willful as her mother ever was, Damia defies her family's attempts to tame and train her—only to bond with Afra Lyon, a Talent who serves The Rowan,

and who becomes the object of her affection. When she comes of age, Damia learns that a Prime of her capabilities and temperament has no time for love. Assigned to serve the farthest human colonized world from Earth, Damia leads a lonely existence until she telepathically connects with an alien presence in another galaxy—a potential threat not only to Damia, but to the love Afra wants to share with her...

Damia's Children Anne McCaffrey, 1994-02-01 They inherited their mother's legendary powers of telepathy. But Damia's children will need more than psionic Talent to face the enemy's children--an alien race more insect than human...

All the Weyrs of Pern Anne McCaffrey, 1991 Set once again on the planet Pern, this is a new novel from the author of *The Renegades of Pern*. Anne McCaffrey has also written *The Rowan* and *Pegasus in Flight*.

Psience Fiction Damien Broderick, 2018-05-12 Science fiction has often been considered the literature of futuristic technology: fantastic warfare among the stars or ruinous apocalypses on Earth. The last century, however, saw, through John W. Campbell, the introduction of psience fiction, which explores such themes of mental powers as telepathy, precognition of the future, teleportation, etc.--and symbolic machines that react to such forces. The author surveys this long-ignored literary shift through a series of influential novels and short stories published between the 1930s and the present. This discussion is framed by the sudden surge of interest in parapsychology and its absorption not only into the SF genre, but also into the real world through military experiments such as the Star Gate Program.
