**Australian Women's Weekly Children's Birthday Cake Book** Australian Women's Weekly, Pamela Clark, 2011 Australia's most famous children's cake book - reprinted in a collector's edition. The Australian Women's Weekly's Children's Birthday Cake Book was first published in 1980 and has sold more than half a million copies. In response to all the requests we have had, often from mothers who remember fondly all the cakes from their own childhood, we have taken this book from our archives and reprinted it 30 years after it first appeared. We have had to make a minor change - four of your little friends are missing, but they've been replaced by other cakes you'll love just as much. Apart from that we've left it just as it was - a true collectors' cookbook especially for you. Now you can recreate your favourite cakes - the swimming pool, rocket and that train from the cover for your own child.

**Cultural Perspectives on Sweets in Children's Literature and Media** Sabine Planka, Corina Löwe, 2025-04-25 Our language is full of 'sweet' terms to describe situations ('a bittersweet moment'), things ('popcorn brain'), behaviour ('to have a sweet tooth'), or even loved ones ('sweetie', 'sweetheart', 'honey') that are originally not linked to food. What seems to be common to almost all cultures, is reflected in the fact that we humans are born with a taste for sweets, and that sweets have

shaped our cultures and our language. This has also been reflected in children's literature and media. This is the starting point for this invaluable collection of essays, which deals specifically with sweets and the spectrum of hedonistic and regulated indulgence in different cultures and media for children. The contributions analyse classics of children's literature, but also more recent texts and other media such as magazines, films, television programmes and computer games. Cultural Perspectives on Sweets in Children's Literature and Media creates a kaleidoscope of the various functions of sweets and their significance for children's culture, thus providing an overview of the diversity of the subject.

**Great Kids' Cakes** Australian Women's Weekly, 2008 Once a year, a cake is required for a party - here are over 50 ideas to feed your imagination all those sticky fingers. Every cake can be made from scratch or from cake mix batter - create a simple oblong or round cake and cut out the most fantastic shapes from there. No need for complicated tins: step-by-step photographs show you how to make every cake from basic shapes. Pull-out patterns will help you create the best birthday cake every year. Not just ballerinas or football pitches, but circus animals and clowns, bears, butterflies, volcanoes and even a spider to weave a spell.

**Alphabet Soup** Melissa Doyle, 2014-04-01 A funny, warm and personal memoir that reveals what it's like being a regular busy working mum, who just so happens to have a job on the telly. Australia's best loved morning TV presenter, Mel Doyle, invites you inside her home and her life. Now, for the first time, Mel shares what it is like to juggle a high profile TV career with the full time job of being a Mum. In Alphabet Soup, she has collected together some of her favourite memories and anecdotes from the last ten years. Covering everything from her relationship with Kochie to red carpet exclusives, from baking birthday cakes to doing the school run, this is a delicious slice of Mel's life. And, like the rest of us, Mel has highs and lows and a constant battle to balance it all out. Dip in and enjoy some funny, honest and totally relatable anecdotes from life on and off screen!

**More Children's Art & Crafts** Maryanne Blacker, 1990 More Children's Arts and Crafts gathers together the most educational, effective and - supremely important - the most enjoyable activities, all designed to exercise busy fingers and stretch fertile minds. There's hours and hours of fun with ideas for printing, painting, dyeing, construction and collage, weaving and stitching, and none of it will cost a fortune. Indeed, just a little time spent looking around the home will reveal almost all the essential ingredients to entertain children in creative play. Presented with clear, concise and colourful instructions, More Children's Arts and Crafts will be an invaluable resource book for parents and grandparents, as well as all

teachers of pre-schoolers and infants in classes.

It features spectacular new designs and, as always, each recipe is simple and easy to follow.

The Food and Drink of Sydney Heather Hunwick,2018-03-22 Sydney, famed for its setting and natural beauty, has fascinated from the day it was conceived as an end-of-the-world repository for British felons, to its current status as one of the world's most appealing cities. This book recounts, and celebrates, the central role food has played in shaping the city's development from the time of first human settlement to the sophisticated, open, and cosmopolitan metropolis it is today. The reader will learn of the Sydney region's unique natural resources and come to appreciate how these shaped food habits through its pre-history and early European settlement; how its subsequent waves of immigrants enriched its food scene; its love-hate relationship with alcohol; its markets, restaurants, and other eateries; and, how Sydneysiders, old and new, eat at home. The story concludes with a fascinating review of the city's many significant cookbooks and their origins, and some iconic recipes relied upon through what is, for a global city, a remarkably brief history.

Boomer & Me Jo Case,2013-04-01 Leo is having trouble fitting in. Whether it's pulling his pants down in the schoolyard or compulsively saluting Mazdas because the company sponsors his football team, Leo can never seem to say or do the right thing. And Jo is struggling to help him find his place as she juggles work and the ordinary demands of motherhood. But her beloved only child has been reading novels since he started school, amazes strangers with his encyclopaedic knowledge of sport statistics, and displays a wit sharp beyond his years - could he be gifted? In fact, it turns out Leo has Asperger's Syndrome. This is the bittersweet, blackly funny story of a boy and his very twenty-first-century family, and why being different isn't a disability - it just takes a bit of getting used to. Reflection reveals that Asperger's traits run in Leo's family; which prompts Jo to ponder the line between passion and obsession and ask the question: what the hell is 'normal' anyway?

**A Timeline of Australian Food** Jan O'Connell,2017 A Timeline of Australian Food takes readers on a tasty and sometimes surprising culinary journey through 150 years of Australian food. Lavishly illustrated, this tasty book looks at what we've eaten, how we've shopped, and how we've produced and prepared our food, decade by decade, through depression,

war, and decades of abundance.
