Even today, whether he's campaigning against climate change or fist-bumping fellow strongmen at his self-titled athletic event, he's one of the few men on the planet who's recognisable from his first name alone. Arnold. Fiaz Rafiq uses in-depth interviews with Schwarzenegger's peers to tell the life story of the one-time Governor, featuring exclusive interviews with his personal and close friends, fellow bodybuilders and training partners, Hollywood co-stars, directors, executive producers, political personalities and journalists - all offering first-hand accounts of the man they know. Together, these voices show new dimensions to the Arnold we all think we know - from the driven young man who brought building into the mainstream to the passionate advocate for political change.
