Disappear with Me Dean Frech,2016-08-20 In 1910, the United Kingdom is in turmoil. King Edward dies after only nine years on the throne. The social class system that upheld British society for centuries is being chipped away by social, political, and economic unrest across the Empire. Amidst this backdrop, Reverend Leander Norris is accused of sodomy. After discovering his own self-worth and the meaning of unconditional love, Leander finds the courage to stand up for what he believes is right and pleads not guilty to the charges. Throughout the trial, Leander's past is revealed, including the temptations that bring the accusations against him. By the end of the trial, Leander is once again reunited with a romantic interest from the past. But it may be too late to rekindle any love that remains, given the circumstances of the era and Leander's likely sentence. Love is greater than hope or faith, but can Leander convince a jury that the love he shares with another man is natural?

Dreams Call L.S. O'Bryan,2024-08-30 What if dreams were real? Sara Warren has had extremely vivid and unsettling dreams from the time she was a child. But recently, those dreams have become increasingly dark and menacing, turning her life into a never-ending nightmare. Desperate for help, Sara travels to a sleep disorders clinic, hoping for relief from her relentless nightmares. But instead of finding a cure, Sara discovers that her dreams hold more power than she could have ever imagined. Before long Sara's power attracts the attention of a mysterious man who calls himself the Elder, and he has plans to use her to achieve his own selfish goals. With the lives of her family and friends at stake, can Sara find the strength to gain control of her dreams or will she lose everything to nightmares turned real?
