Eckhart Tolle

Guardians of Being Eckhart Tolle, 2011-03-21 This wonderfully unique collaboration brings together two masters of their fields, joining original words by spiritual teacher Eckhart Tolle with delightful illustrations by Patrick McDonnell, the creator of the acclaimed comic strip MUTTS. Every heartwarming page provokes thought, insight, and smiling reverence for all beings and each moment. More than a collection of witty and charming drawings, the marriage of Patrick McDonnell's art and Eckhart Tolle's words conveys a profound love of nature, of animals, of humans, of all life-forms. Guardians of Being celebrates and reminds us of not only the oneness of all life but also the wonder and joy to be found in the present moment, amid the beauty we sometimes forget to notice all around us.

Guardians of Being Eckhart Tolle, 2009 A noted author and the creator of the Mutts comic strip team up to bring a collection of inspiring life lessons that provoke thought, insight, and reverence for every moment.

The Objectification Spectrum John M. Rector, 2014 The Objectification Spectrum draws upon timeless wisdom to propose a new model of objectification as a spectrum of misapprehension running from mild to extreme manifestations. Utilizing compelling historical examples, the author explores dispositional and situational factors contributing to the problem, and also presents objectification's antidote--the enlightenment spectrum.

The Spiritual Nature of Animals Karlene Stange, 2017-10-10 Beloved Companions, Kindred Spirits Karlene Stange's spiritual journey began as she drove her pickup loaded with medical supplies to attend to animals throughout southwestern Colorado, where the Animas River carves the landscape. As an ambulatory veterinarian, she has experienced the challenges, sorrows, and joys of working with creatures great and small and feels a powerful kinship with these beautiful beings, a bond that goes beyond flesh and fur and feathers. The Spiritual Nature of Animals chronicles her amazing exploration through the teachings of various religious and cultural traditions, as well as her encounters with the magnificent Rocky Mountain terrain and the quirky characters — both animal and human — who inhabit it.

A Voice for Animals Suzana Gartner J.D. LL.M., 2023-02-21 Animals are here with us and not for us. We can do better for our animal friends when we work together collectively and individually to make a difference; by joining hands in this next great, important social justice movement. A Voice for Animals offers insight on animal issues and the animal rights movement. The first part of the book examines the close connection we share with our beloved companion animals, and the

plight of homeless animals. It bridges the gap between beloved pets and homeless pets in shelters. It offers solutions to end the shelter debacle. The second part discusses the lives of other species: farm animals, animals in research, animals in captivity, and wildlife. This book provides heartfelt real life animal stories, celebrates animal victories, and explores the deep connection of animals to humans and our biological need to share our lives with them. It inspires readers to take action and get motivated for animals: adopt animals from shelters and rescues, live a cruelty-free lifestyle, and go vegan. This book advocates for the better treatment of animals by inviting you to gain an understanding of the special human-animal bond.

Summary of The Power of Now , Summary of The Power of Now - We must leave our analytical mind and its false manufactured self, the ego, behind in order to travel into the Now. We travel quickly into a substantially higher altitude where we breathe lighter air. We become connected to the indestructible principle of our Being. Although the path is challenging, it guides us through it using simple language and a question-and-answer structure that can profoundly change their lives for the better. Disclaimer: This is a summary of the book, not the original book, and contains opinions about the book. It is not affiliated in any way with the original author.
