Shore to the South Shore and out to the East End, Long Island is home to a nationally recognized and historic boat building industry. The Steiger Craft boats of Bellport are a local household name, trusted for their ability to navigate the shallow bay waters of the South Shore. Freeport legend Al Grover sold boats around the world for generations, built Verity skiffs for gas-conscious consumers in the 1980s and holds the Guinness World Record for the first outboard motorboat crossing of the Atlantic. The Hanff and Clarke boat yards in Greenport are more than just world-class boat builders--at more than 150 years old, they are historic landmarks. Author and folklorist Nancy Solomon shares the history and stories behind Long Island's traditional boat yards and boat builders.
