Power from the Word Donald Anyagwa, 2016-03-30 I have, through this compiled work, Power from the Word: Sunday Homilies for Cycle B, tried to make alive and active God’s Word to us through the liturgical readings for Sundays and Feast Days of the occurring year. The arrangement and methodology flow from those of Cycle A Advent-Christmas-Lent-Easter-Ordinary Time-Feast Days. Through the homilies, I gave more consideration to what goes around our today’s human situations than how it happened when Jesus was walking alongside the streets of Judea and Galilee and working amongst

people with different cultural settings. Nevertheless, his teachings and approaches are the indispensable yardstick. And this is what any homilist has to bear in mind, even when this book is considered worthwhile making reference to in preparing homilies for the People of God. Nonetheless, reading through the homilies of this presentation for personal reflection and growth in spirituality outside the Sunday liturgy is entirely a different thing. It could be a stitch on time!

Daily Reflections from Dr. David R. Hawkins David R. Hawkins, MD/PHD, 2022-08-30 A collection of 365 insightful quotes from best-selling author and consciousness researcher Dr. David R. Hawkins to guide readers on the path to enlightenment. This collection of inspiring quotes from world-renowned consciousness researcher and mystic Dr. David R. Hawkins can help readers elevate their level of consciousness. In doing so, they will explore ways to understand truth, raise their awareness, and find enlightenment and infinite peace. Readers will engage with some of Dr. Hawkins's most profound insights from his classic works, such as: To best serve the world, seek enlightenment and transcend illusions rather than contribute to them. Success comes about automatically from knowing where to look. Not what to look for, but where to look. We do not look at what we have, nor at what we do, but at what we are. Once we find within ourselves what we've been searching for, we won't have to bother looking out there. We can't own that which is great within ourselves unless we learn to recognize it in others. Peace comes with total inner surrender to what is. By continuously letting go, it is possible to stay in that state of freedom. Feelings come and go, and eventually you realize that you are not your feelings, but that the real you is merely witnessing them.
