Lovely Girls Margot Hunt, 2023-02-07 In this chilling story from USA Today bestselling author Margot Hunt, a mother and daughter try to start over in an idyllic town only to get caught up in cliques, mind games...and murder. After the sudden death of her husband, Kate Turner is looking for a fresh start for herself and her teenage daughter, Alex. They relocate to the beachside town of Shoreham, Florida, where all is not as sunny as it seems. Although Kate makes fast friends with a trio of fellow moms, their daughters take an instant dislike to Alex, who attempts to document their bullying in her video diary. Kate brushes off Alex's concerns--until she receives a series of chilling warnings about the clique of moms from other parents and neighbors. As it becomes harder for her to ignore the malicious undercurrent she senses among her new friends, Kate grows increasingly unsure of who to believe--and who to trust. As small-town gossip weaves a harrowing web of jealousy, deceit, and betrayal, Kate and Alex discover that whether you're in or out, the status quo can turn on you deadly fast.

The Last Affair Margot Hunt, 2019-11-26 A seemingly perfect suburban life is shattered when an illicit affair leads to murder in the USA Today-bestselling author's "gripping psychological thriller" (Booklist). Nora Holliday is not the kind of woman who has an illicit affair with a married man. But Josh Landon is everything Nora's alcoholic husband isn't. And now she and Josh are so infatuated, they can't stay away from one another. Abby Landon, Josh's daughter, is home from college nursing a broken heart. She's seeking solace, not more scandal. So when she catches her dad kissing Nora, she vows to take the homewrecker down. To anyone on the outside looking in, Josh's wife Gwen—Abby's mother—appears to be living the ideal suburban life. Until she winds up dead. As the search for her killer begins, a long history of twisted secrets begins to unravel . . .

For Better and Worse Margot Hunt, 2018-12-11 When a woman takes justice into her own hands, her husband suddenly finds himself accomplice to murder in this tense psychological thriller. On their first date back in law school, Natalie and Will Clarke bonded over drinks, dinner—and whether they could get away with murder. Now married, they'll put the latter to the test when an unchecked danger in their community places their son in jeopardy. Working as a criminal defense attorney, Nat refuses to rely on the broken legal system to keep her family safe. She knows that if you want justice . . . you have to get it yourself. Shocked to discover Nat's taken matters into her own hands, Will has no choice but to dirty his, also. His family is in way too deep to back down now. He's just not sure he recognizes the woman he married. Nat's always been fiercely

protective, but never this ruthless or calculating. With the police poking holes in their airtight plan, what will be the first to fall apart: their scandalous secret—or their marriage?

Best Friends Forever Margot Hunt, 2018-01-23 With “interesting characters and a twisting plot,” this thriller introduces two women whose friendship that can withstand anything—except murder (Kirkus Reviews). Kat Grant and Alice Campbell have a friendship forged in shared confidences and long lunches lubricated by expensive wine. Though they’re very different women—the artsy socialite and the struggling suburbanite—they’re each other’s rocks. But even rocks crumble under pressure. Like when Kat’s financier husband, Howard, plunges to his death from the second-floor balcony of their South Florida mansion. Howard was a jerk, a drunk, a bully and—according to police—a murder victim. The questions begin piling up. Like why Kat has suddenly gone dark: no calls, no texts and no chance her wealthy family will let Alice see her. Why investigators are looking so hard in Alice’s direction. Who stands to get hurt next. And who is the cool liar—the masterful manipulator behind it all.

For Better and Worse Margot Hunt, 2018 When an unchecked danger in their community places her son in jeopardy, attorney Natalie Clarke takes matters into her own hands and her husband Will is left with no choice but to dirty his, too, though he no longer recognizes the woman he married.

The Chronology of American Literature Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge, check a favorite author's work, or see a year's bestsellers at a glance, *The Chronology of American Literature* is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past—from major publications to lesser-known gems—while also identifying larger trends along the literary timeline. Who wrote the first published book in America? When did Edgar Allan Poe achieve notoriety as a mystery writer? What was Hemingway's breakout title? With more than 8,000 works by 5,000 authors, *The Chronology* makes it easy to find answers to these questions and more. Authors and their works are grouped within each year by category: fiction and nonfiction; poems; drama; literary criticism; and publishing events. Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, *The Chronology* offers an invaluable line through our literary past, tying literature to the American experience—war and peace, boom and bust, and reaction to social change. You'll find everything here from Benjamin Franklin's *Experiments and Observations on Electricity*, to Davy Crockett's first memoir; from Thoreau's *Civil Disobedience* to Edith Wharton's *Ethan Frome*; from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger, Jr. Lavishly illustrated—and rounded

out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates--The Chronology of American Literature belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present.

Pulled into a world of espionage, Beryl quickly discovers that she needs help, and ex-CIA agent Richard Wolf is her only hope. But in a world where trust is a double-edged sword, friends become enemies and enemies are killers. THIEF OF HEARTS Reformed cat burglar Clea Rice has witnessed enough crimes to put her on the straight and narrow. But little does she suspect that her search for justice will land her in the arms of wealthy English gentleman Jordan Tavistock. As their attraction grows, so does the danger. Now their biggest concern isn't whether a proper gentleman and a cat burglar can find happiness...it's whether they'll survive long enough to find out.
