

# Mozart Mass In C Minor

**Daniel François Esprit Auber**

**Mass in C Minor, K. 427 (417a)** Wolfgang Amadeus Mozart, Alois Schmitt, 2005-12-15 SATB soli, SSAATTBB Chorus / Piano ISMN: 979-0-800001-19-2

**The Cambridge Companion to Mozart** Simon P. Keefe, 2003-05-22 The Cambridge Companion to Mozart paints a rounded yet focussed picture of one of the most revered artists of all time. Bringing the most recent scholarship into the public arena, this volume bridges the gap between scholarly and popular images of the composer, enhancing the readers' appreciation of Mozart and his extraordinary output, regardless of their prior knowledge of the music. Part I situates Mozart in the context of late eighteenth-century musical environments and aesthetic trends that played a pivotal role in his artistic development and examines his methods of composition. Part II surveys Mozart's works in all of the genres in which he excelled and Part III looks at the reception of the composer and his music since his death. Part IV offers insight into Mozart's career as a performer as well as theoretical and practical perspectives on historically informed performances of his music.

Compleat Mozart Neal Zaslaw, William Cowdery, 1990-11-06 Collection of essays in a single volume for nonspecialists with information about each of Mozart's compositions, where, when, and why it was written, what it is like, and what special significance it may have within the composer's oeuvre.

**Choral-Orchestral Repertoire** Jonathan D. Green, David W. Oertel, 2019-12-05 Choral-Orchestral Repertoire: A Conductor's Guide, Omnibus Edition offers an expansive compilation of choral-orchestral works from 1600 to the present. Synthesizing Jonathan D. Green's earlier six volumes on this repertoire, this edition updates and adds to the over 750 oratorios, cantatas, choral symphonies, masses, secular works for large and small ensembles, and numerous settings of liturgical and biblical texts for a wide variety of vocal and instrumental combinations. Each entry includes a brief biographical sketch of the composer, approximate duration, text sources, performing forces, available editions, and locations of manuscript materials, as well as descriptive commentary, a discography, and a bibliography. Unique to this edition are practitioner's evaluations of the performance issues presented in each score. These include the range, tessitura, and nature of each solo role and a determination of the difficulty of the choral and orchestral portions of each composition. There is also a description of the specific challenges, staffing, and rehearsal expectations related to the performance of each work. Choral-Orchestral Repertoire is an essential resource for conductors and students of conducting as they search for repertoire

appropriate to their needs and the abilities of their ensembles.

J.S. Bach in Australia: Studies in Reception and Performance Denis Collins, Kerry Murphy, Samantha Owens, 2018-12-01  
This book is the first to be dedicated to a study of the reception of a major European composer in Australia. Each of the eleven essays explores how J.S. Bach's music has enriched Australian cultural life, from private performances in the early nineteenth century to historically informed realisations in recent years. The authors outline the challenges of mounting and sustaining this repertoire in the face of underdeveloped musical infrastructure and limited resources, and how these challenges have been overcome with determination and insight. Championed by imaginative individuals such as Ernest Wood and Leonard Fullard in Melbourne, E.H. Davies in Adelaide and W. Arundel Orchard in Sydney, Bach's music has been a vehicle for the realisation of Australians' cultural aspirations and a means of maintaining connections with traditions that continue to be cherished today.

**Complete Catalogue of Sheet Music and Musical Works published by the Board of Music Trade, etc** Board of Music Trade (UNITED STATES OF AMERICA), 1870

Fakt und Fiktion – Das Requiem Mozarts Michael Ostrzyga, 2022-11-30 Diese Einführung befasst sich im ersten Teil eingehend mit Geschichte und Rezeption des Requiems. Daran an schließt sich eine ausführliche Dokumentation der Requiem-Edition Ostrzygas. Darüber hinaus stellt diese Einführung die erste umfassende analytische Studie zum Requiem dar, die auf historisch informierter Musiktheorie und künstlerischer Praxis (vor allem in Komposition, Instrumentation, Arrangieren) basiert. Sie räumt kritisch mit zahlreichen, auch in der Fachliteratur verbreiteten Vorurteilen gegenüber Süßmayrs Arbeit auf und erörtert zudem Probleme bisheriger Ergänzungs- und Bearbeitungsversuche.
