

Murder In Sin City

Max Allan Collins

Murder in Sin City Jeff German, 2009-03-17 An investigative journalist's true crime account of the murder of the gambling executive and the trial of his accused girlfriend and her new boyfriend. The reckless heir to the Horseshoe Club fortune, fifty-five-year-old Vegas casino boss Ted Binion lived the high life constantly teetering on the edge—surrounding himself with guns, heroin, cash, babes and mobsters. But it was a beautiful ex-stripper and her new lover who gave him the final, fatal push over the side. The gripping true story of the fall of a powerful man that culminated in the most publicized murder in Las Vegas history—an almost perfect crime undone by the unbelievable greed of its perpetrators—Jeff German's *Murder in Sin City* is a stunning account of human deterioration and depravity, a neon-tinged view of the poisonous rot that festers beneath the Vegas glitter. Now a Lifetime original movie, *Sex and Lies in Sin City*.

Sin City Homicide Victor Methos, 2012-03-08 A BILLIONAIRE MURDERED . . . The rape-homicide of a prominent Las Vegas couple sends shock waves through the community. With no active leads, the LVPD Homicide Unit is growing desperate. A DETECTIVE WITH A HISTORY OF VIOLENCE . . . Brought in as a consultant, Detective Jon Stanton discovers that there's more to this case than anyone is revealing to him. The trail is leading him down a dark path, one that many in the Las Vegas Metro PD don't want him to uncover. A KILLER WITH NO CONSCIENCE . . . In a city full of moral decadence, Stanton combs the underbelly in search of a killer so brazen he commits his crimes in full public view. Hindered at every turn by a police department unwilling to help him, Stanton is left alone to make a chilling discovery: the killer may be one of their own.

Sin City Max Allan Collins,2002-10-16 Meet the little known and even less understood heroes of police work in Las Vegas -- the forensic investigators. Led by veteran Gil Grissom, the remarkable team assigned to the Criminalistics Bureau's graveyard shift -- including Catherine Willows, Warrick Brown, Nick Stokes, and Sara Sidle -- must combine cutting-edge scientific methods and old-fashioned savvy as they work to untangle the evidence behind the yellow police tape. SIN CITY If anything happens to me, get this cassette to the police, Lynn Pierce told her friends the night she disappeared without a trace. Pierce seemed to be a devout Christian, devoted wife and mother -- but she left behind a recording of her husband threatening to cut her into little pieces. Jenna Patrick was a professional stripper who said she was trying to get out of the sex trade and into junior college. She wound up strangled to death in a locked room in the back of the club where she worked. What could these two women possibly have had in common -- aside from the fact that they are both victims of homicide? Find out as Grissom, Willows, and the rest of the CSI team track down a sordid trail of secret lives and private dances, from the saintly to the seedier side of Sin City.

Murder, Misadventure and Miserable Ends Dr Catie Gilchrist,2019-03-01 Murder, manslaughter, suicide, mishap - the very public business of determining death in colonial Sydney. Murder in colonial Sydney was a surprisingly rare occurrence, so when it did happen it caused a great sensation. People flocked to the scene of the crime, to the coroner's court and to the criminal courts to catch a glimpse of the accused. Most of us today rarely see a dead body. In nineteenth century Sydney, when health was precarious and workplaces and the busy city streets were often dangerous, witnessing a death was rather common. And any death that was sudden or suspicious would be investigated by the coroner. Henry Shiell was the Sydney City Coroner from 1866 to 1889. In the course of his unusually long career he delved into the lives, loves, crimes, homes and workplaces of colonial Sydneysiders. He learnt of envies, infidelities, passions, and loyalties, and just how short, sad and violent some lives were. But his court was also, at times, instrumental in calling for new laws and regulations to make life safer. Catie Gilchrist explores the nineteenth century city as a precarious place of bustling streets and rowdy

hotels, harbourside wharves and dangerous industries. With few safety regulations, the colourful city was also a place of frequent inquests, silent morgues and solemn graveyards. This is the story of life and death in colonial Sydney. PRAISE 'Catie Gilchrist draws back the veil on death in nineteenth-century Sydney to reveal life - ordinary, tragic and hopeful' David Hunt, author of *Girt and True Girt*

She soon learns that the man was the only member of his family to survive the Nazi concentration camps. Killing Game Max Allan Collins,2005-11-01 The machinations of a new supervisor may have altered Gil Grissom's team of skillful CSIs, as Catherine Willows, Nick Stokes, and Warrick Brown are reassigned from the graveyard shift to the swing shift. That doesn't mean, however, that their paths will never cross. During the course of their separate investigations, the teams must unite again to investigate two distinct murders -- atrocities that are oddly aligned as they share much of the same collective evidence. Despite the different M.O.s, the CSIs are uncovering two wildly imperfect crimes that could possibly add up to an almost perfect one...
