Christine Economos

Playground Aron Beauregard,2022 Three low-income families have been given a handsome retainer to join Geraldine Borden for a day at her cliffside estate. All the parents must do to collect the rest of their money is allow their children to test out the revolutionary playground equipment Geraldine has been working on for decades. But there's a reason the structures in the bowels of her gothic castle have taken so long to develop--they were never meant to see the light of day. When a band of dysfunctional children is suddenly thrust into a diabolical realm of violence, they must grow up instantly to have a chance at survival. Will they find a way to put their differences aside, or be swallowed up by the insidious architecture all around them?--Back cover.

The captains are appointed by the instructor, and their term of office expires at the close of the game. For match games, the captain may be selected by the team. The captains shall stand at the least 3 feet apart, measuring from the advanced foot. The Referee shall see that none but the captains try for the toss-up. When a captain has secured the ball, either by catching or batting it into his own court, the game is not formally opened until the captains have returned to their respective positions, in the forward center of the court, and the Referee gives the signal (whistle) to play ball.
