My partner and I, are both over the 50 mark by a few years. We found that our sex life was becoming monotonous yet our love was strong for each other. The Queen her Beast and the Creature Art Abrams, Myra L. Rothschild, 2015-05-01 Its 30,000BC, the weather is hot and very sultry, a sign of approaching global change. There is a strong breeze in the air signifying an approaching storm, yet she doesn't care. She is running as fast as she can along the golden sands beside the edge of an ancient sea. She is scared, very scared; she had never seen its like before. It isn't animal and it isn't plant; all she is aware of is its foul smell and the pus-like fluid oozing from its many pores. She screams for help, she is so close to her village, yet this thing is gaining on her..... This is only the beginning of a fantastic voyage of discovery for two lovers that have one thing in common, their ancient heritage!

Love After 50 Francine Russo, 2022-07-12 A comprehensive and intimate guide to finding, keeping, and enjoying love after fifty, the best kind of love there is. Studies keep showing that love after fifty is more satisfying than at any other stage in life, and it makes sense: at this stage, you are more emotionally stable and more focused on the present; you know what you absolutely have to have, but also what you can live without; partnering is no longer about building family and fortune—it's about sharing intimacy as grounded individuals. And sex isn't pass/fail anymore, but about becoming erotic friends. So, if this is the promised land, how do you get there? In *Love After 50*, journalist Francine Russo interviewed the best experts in the field and dozens of couples to help show the way. Her "practical, excellent guide" (John Gottman, author of *The Seven Principles for Making Marriage Work*) includes advice like: -How to recover from the emotional damage of divorce, the grief of widowhood, or a history of unfulfilling relationships -How to build realistic requirements for a partner -What attitudes to bring to dating -How to overcome the psychical challenges of sex and embrace your erotic selves -How to evaluate the financial, emotional, and practical results of marrying, living together, or living apart -How to deal with (hostile) adult kids to safeguard your relationship and family *Love After 50* is "essential reading" (Pauline Boss, PhD, author of *The Myth of Closure*) that is not only practical but also unassuming and candid. It is full of real people's stories (including the author's), with vivid examples of couples who have overcome their pasts to form healthy and nurturing partnerships. In other words, it's as real as love after fifty can be.
