The Lucy Kincaid Series, Books 4-6 Allison Brennan, 2015-07-07 Allison Brennan's New York Times bestselling Lucy Kincaid novels have been thrilling and chilling readers for years, and here together for the first time in a fabulous eBook bundle are three of Brennan's gripping Lucy Kincaid thrillers: *SILENCED* It's been seven years since Lucy Kincaid was brutally attacked by an online predator. Now, she's working as an FBI analyst while counting the days before entering the Academy. When known prostitutes-with scores of high profile clients-are turning up dead all over D.C., Lucy is tasked with finding the only witness who can identify the killer and end the conspiracy...even if that means putting herself in the line of fire. *STALKED* A new trainee at the FBI Academy in Quantico, Lucy Kincaid has already seen more than her share of murder and mayhem. She's found a true friend and mentor in SSA Tony Presidio, and no matter what goes down at the Bureau, Tony's got her back. Until she finds his dead body...and the twisted games begin. *STOLEN* Nothing is more important to P.I. Sean Rogan than his relationship with FBI trainee Lucy Kincaid. But when his past catches up with him, Sean faces an ultimatum: clear his name and help the FBI take down a rogue agent, or go to prison and lose everything he holds dear.

Forced to keep Lucy in the dark, Sean steps back into his old world. But the longer he's undercover, the more dangerous the game becomes.

The LA Wolves Series: The Offense Cadence Keys, 2022-05-13 In the Grasp (Book 1) I'm at the top of my game, and the most notoriously private player in the league, but my personal life leaves something to be desired. I thought I'd have more accomplished by now - like a wife and family - but for nine years I've held onto the memory of the girl who got away. Now she's back and I'm more determined than ever to make her mine. For good this time. Across the Middle (Book 2) From the moment I laid eyes on Gina Rodrigo, she twisted my whole world on its axis. For months I refused to give into the feelings she evoked in me. I'd gone down that road before and it led nowhere good. But one kiss changed everything and I couldn't fight my feelings anymore. Except she doesn't know my secret and the deeper we get, the more the ghosts of my past threaten to ruin the first true happiness I've ever found. Down by Contact (Book 3) I'm a playboy, a modern-day Casanova. I don't love women, I just make their orgasm dreams come true. She's the coach's daughter and the ultimate ice princess - always cold, composed, and spoiled. We have nothing in common, until she makes me a proposition I can't turn down. I'm only human after all, and she's hot. It shouldn't mean anything. So why can't I get her out of my damn head? Taking the Handoff (Book 4) I couldn't say no when my best friend asked for a favor. His little sister needed a safe place until she got her feet under her in LA, so of course I said yes. But I was not prepared for the vixen that showed up at my door looking NOTHING like the girl I remember. She's off limits and I'm trying to behave. Really, I am. But the longer she stays here, the more tempted I am to take her and make her mine.
