To See the Saw Movies James Aston,John Walliss,2013-06-25 The Saw films, often derided by critics as torture porn and an excuse to show blood and gore, are the highest-grossing horror series in cinema history. In view of their hold on audiences and their controversial content, they deserve study. This first collection of fresh essays by academic authors from Europe, America and Australia addresses the cultural, religious and philosophical facets of the films, investigating how the franchise reflects a post-9/11 shift in U.S. popular culture towards increasing pessimism and how it may be read as a metaphor for the war on terror; dissecting how the series explores such issues as freewill and determinism; assessing the films' representations of the body; and applying a Deleuzian perspective to the franchise.

God Has Come, He Is King The Church of Almighty God, Almighty God, Christ of the last days, has expressed a variety of truths, uncovered every truth and mystery in the Bible, and revealed to mankind the inside story of the three stages of God's work, the mystery of God becoming flesh and God's work of judgment in the last days, etc. This testifies that Almighty God is the return of the Lord Jesus and that He is the appearance of God in the last days.

40 Days Living the Jesus Creed Scot McKnight,2008 McKnight inspires readers to try to daily fulfill the Jesus Creed--to love God with every ounce of being. The 40 readings reflect the essence of Christian love.

The Soul Francis William Newman,1882

Jesus and the Reign of God Choan-Seng Song,1993-01-01 Song's theology is a startling rebuke to Christologies centered either in historical-critical searches or church doctrines. For Song, theology is the biography of God, and God's reign is evident in stories of God's saving presence in Jesus. The reign of God in Jesus becomes manifest through movements of people to be free from the shackles of the past, to change the status quo of the present, and to have a role to play in the arrival of the future.
