

# The Dutch Reformed Church

Laurie Gaum,Chris Jones

*The Dutch Reformed Church in the American Colonies* Gerald Francis De Jong,1978 The Dutch Reformed Church in the American Colonies remains the best study of the early years of the Reformed Church in North America. De Jong's careful account takes the readers on a fascinating journey from the establishment of a Dutch church at a mill in New Amsterdam to the early years of an indigenous American denomination. Along the way we become acquainted with issues in the colonial period that are pertinent in the twenty-first century for the Reformed Church in America: church multiplication, leadership training, discipleship, regional tensions, adaptation to cultural changes, worship, and liturgy. De Jong helps us to see that, in many respects, the more things change, the more they remain the same. The Rev. Dennis N. Voskuil, Ph.D. President and De Witt Professor of Church History Western Theological Seminary, Holland, Michigan The reissue of De Jong's classic study is very welcome. Though of course there has been other important work on various aspects of the colonial Dutch Reformed experience in the thirty years since the book's first appearance, still it remains the standard comprehensive account - a careful and thorough work that shows a mastery of the sources and sticks close to them. The Rev. John Coakley, Ph.D L. Russel Feakes Professor of Church History, New Brunswick Theological Seminary New Brunswick, New Jersey

**The First Minister of the Dutch Reformed Church in the United States [i.e. J. Michaelius. A Letter Written by the Latter at Manhatas in New Netherland, Aug. 11. 1628. With Preface by H. C. Murphy.]** Jonas MICHAËLIUS,1858

**The First Minister of the Dutch Reformed Church in the United States** Jonas Michaëlius,1858

**Twelve members' court battle with the Dutch Reformed Church** Laurie Gaum,Chris Jones,2021-08-12 At the beginning of 2017, the “backlash cycle” was in full swing in church denominations in South Africa as far as embracing sexual diversity was concerned. In 2015 a momentous decision by the General Synod of the Dutch Reformed Church (DRC) embracing inclusivity in allowing LGBTIQ+ ministers to not be celibate and its ministers to officiate same-sex marriages, surprised friend and foe. But this was reversed a year later in an Extraordinary General Synod of the church. The disappointing outcome of the De Lange v Methodist Church of Southern Africa case had just been handed down by the Constitutional Court, and the Anglican Church’s stalling on fully affirming sexual diversity, continued.

**Austin Friars** J. Lindeboom,2013-11-11 To anyone at all acquainted with the place which the Dutch Reformed Church in London has occupied during the centuries, it will not cause surprise to hear that I hesitated for a moment before accepting

the invitation from its Council to relate the history of the Church on the occasion of its four hundredth anniversary. Not much time was left, and the material was voluminous. Only few church communities possess such a wealth of written documents bearing on their past history, or have been the centre to the same extent of so many varied activities. However, there were considerations on the other side, which made me decide to undertake the work. The extensive archives of the Church are well arranged and well preserved. The most important part, the voluminous correspondence, consisting mainly of letters addressed to the Church Council, has been made available, in a highly meritorious manner, by J.H. Hessels' publication: *Ecclesiae LondinoBatavae Archivum*. Only a small part of the - often very detailed - minutes of the Council meetings has been published, but these publications by Dr. A. Kuyper and Dr. A.A. van Schelven cover two very important periods in the history of the Church. In addition, there are the publications of the Marnix Society, viz. Ruytinck's *Gheschiedenissen* (History) and its sequels, and the *Acta* of the Colloquia of the Dutch church communities in England

Records of the Dutch Reformed Church, Warwick, Orange County, N.Y. Dutch Reformed Church (Warwick, N.Y.), 1932

**Family Quarrels in the Dutch Reformed Churches in the Nineteenth Century** Robert P. Swierenga, Elton J.

Bruins, 1999 Volume 32 in the HSRCA series chronicles the internal quarrels that have occurred in RCA history, particularly the landmark secessions that occurred in 1850, 1857, and 1882. While exploring the unity and disunity that have characterized the RCA since the Dutch immigration to the United States, this study also points out the righteous motivations that lay behind these struggles and shows how these historic quarrels have their counterpart in contemporary debates over the ordination of women and the church's acceptance of homosexuals.

**Dissenting Daughters** Amanda C. Pipkin,2022-03-03 Dissenting Daughters reveals that devout women made vital contributions to the spread and practice of the Reformed faith in the Dutch Republic in the sixteenth and seventeenth centuries. The six women at the heart of this study: Cornelia Teellinck, Susanna Teellinck, Anna Maria van Schurman, Sara Nevius, Cornelia Leydekker, and Henrica van Hoolwerff, were influential members of networks known for supporting a religious revival known as the Further Reformation. These women earned the support and appreciation of their religious leaders, friends, and relatives by seizing the tools offered by domestic religious study and worship and forming alliances with prominent ministers including Willem Teellinck, Gijsbertus Voetius, Wilhelmus à Brakel, and Melchior Leydekker as well as with other well-connected, well-educated women. They deployed their talents to bolster the Dutch Reformed Church from 1572, the first year its members could publicly organize, to the death of this book's last surviving subject Cornelia Leydekker in 1725. In return for their adoption of religious teachings that constricted them in many ways, they gained the authority to minister to their family members, their female friends, and a broader audience of men and women during domestic worship as well as through their written works. These dissenting daughters vehemently defended their faith - against Spanish and French Catholics, as well as their neighbors, politicians, and ministers within the Dutch Republic whom they judged to be lax and overly tolerant of sinful behavior, finding ways to flourish among the strictest orthodox believers within the Dutch Reformed Church.

Dutch Chicago Robert P. Swierenga,2002-11-07 Now at least 250,000 strong, the Dutch in greater Chicago have lived for 150 years below the radar screens of historians and the general public. Here their story is told for the first time. In Dutch Chicago Robert Swierenga offers a colorful, comprehensive history of the Dutch Americans who have made their home in the Windy City since the mid-1800s. The original Chicago Dutch were a polyglot lot from all social strata, regions, and religions of the Netherlands. Three-quarters were Calvinists; the rest included Catholics, Lutherans, Unitarians, Socialists, Jews, and

the nominally churched. Whereas these latter Dutch groups assimilated into the American culture around them, the Dutch Reformed settled into a few distinct enclaves -- the Old West Side, Englewood, and Roseland and South Holland -- where they stuck together, building an institutional infrastructure of churches, schools, societies, and shops that enabled them to live from cradle to grave within their own communities. Focusing largely but not exclusively on the Reformed group of Dutch folks in Chicago, Swierenga recounts how their strong entrepreneurial spirit and isolationist streak played out over time. Mostly of rural origins in the northern Netherlands, these Hollanders in Chicago liked to work with horses and go into business for themselves. Picking up ashes and garbage, jobs that Americans despised, spelled opportunity for the Dutch, and they came to monopolize the garbage industry. Their independence in business reflected the privacy they craved in their religious and educational life. Church services held in the Dutch language kept outsiders at bay, as did a comprehensive system of private elementary and secondary schools intended to inculcate youngsters with the Dutch Reformed theological and cultural heritage. Not until the world wars did the forces of Americanization finally break down the walls, and the Dutch passed into the mainstream. Only in their churches today, now entirely English speaking, does the Dutch cultural memory still linger. Dutch Chicago is the first serious work on its subject, and it promises to be the definitive history. Swierenga's lively narrative, replete with historical detail and anecdotes, is accompanied by more than 250 photographs and illustrations. Valuable appendixes list Dutch-owned garbage and cartage companies in greater Chicago since 1880 as well as Reformed churches and schools. This book will be enjoyed by readers with Dutch roots as well as by anyone interested in America's rich ethnic diversity.

This book delves into The Dutch Reformed Church. The Dutch Reformed Church is a vital topic that needs to be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into The Dutch Reformed Church, encompassing both the fundamentals and more intricate discussions.

1. This book is structured into several chapters, namely:

- Chapter 1: Introduction to The Dutch Reformed Church
- Chapter 2: Essential Elements of The Dutch Reformed Church
- Chapter 3: The Dutch Reformed Church in Everyday Life
- Chapter 4: The Dutch Reformed Church in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, the author will provide an overview of The Dutch Reformed Church. The first chapter will explore what The

Dutch Reformed Church is, why The Dutch Reformed Church is vital, and how to effectively learn about The Dutch Reformed Church.

3. In chapter 2, this book will delve into the foundational concepts of The Dutch Reformed Church. This chapter will elucidate the essential principles that need to be understood to grasp The Dutch Reformed Church in its entirety.
4. In chapter 3, this book will examine the practical applications of The Dutch Reformed Church in daily life. This chapter will showcase real-world examples of how The Dutch Reformed Church can be effectively utilized in everyday scenarios.
5. In chapter 4, the author will scrutinize the relevance of The Dutch Reformed Church in specific contexts. This chapter will explore how The Dutch Reformed Church is applied in specialized fields, such as education, business, and technology.
6. In chapter 5, this book will draw a conclusion about The Dutch Reformed Church. The final chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly recommended for anyone seeking to gain a comprehensive understanding of The Dutch Reformed Church.
