[This Side of Paradise](#) Francis Scott Fitzgerald,1921 Describes life at Princeton among the glittering, bored, and disillusioned -- the post-World War I lost generation.

Love Is All You Need Summersdale Publishers Ltd.,2018-04-30 Cinta mampu mendefinisikan dirinya sendiri dalam berbagai cara. Tak peduli siapa yang kamu cintai, atau bagaimana kamu mencintai... yang terpenting adalah, bahwa kamu mencintai. Cinta yang mendebarkan, menggemaskan, dan menyegarkan. Cinta yang hangat, nyaman, dan kadang penuh ketidakpastian. Semuanya adalah cinta yang mengalihkan perhatian, yang membuatmu merasakan ada kupu-kupu terbang di dalam perutmu.

[I'd Like You More If You Were More like Me](#) John Ortberg,2017 I'd Like You More If You Were More like Me takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. I'd Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us--so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

CANTOS LIBIDOS Z J GALOS, 2021-10-11 The poet has endeavoured to place his pure emotions into words. Having found a compatible love mate encouraged him to extend an initial adventure into a search for the more engaged fusion of heart/mind/and soul. An inexplicable driving force of desire and lust became a mutual survival tool for the mature aged partnership that extended to the state of soulmates, who would seek the limits of intimate sensualities. Defining features of sex weren't alone penis in vagina (PIV), but more so a natural longing for engaging one's entire body with all the sensuality of one's skin transferring one's feelings to the partner, with the alternatives of manual and oral lovemaking, thereby learning to

know one's partner and her desires intimately. Perhaps at that stage of mature love, our libidos were still intact to a good extent and therefore furthering our desires and we could therefore satisfy our demands of pleasuring our partners successfully, the poet experienced indeed. Indeed, the so-called 'sacred triad' in lovemaking leads to experience a fusion of heart/mind/and body. It was an experience; the poet said, I would wish for all couples, especially all mature ones. The poet's soulmate described this culmination in mature love as winning a lottery ticket. Intimacies on- and offline lead to the desire of tasting each other in flesh and blood, finally experiencing the real physical togetherness, the foreplay actions thru' cyber-love prepared beforehand in all delightful details. Basically, intense communication prepared the way to greater physical and mental fulfilment. Continual foreplay and a description of one's sexual fantasies one wished to share, less egotistical demands and the poet's a wish to satisfy his sexual partner first. Indeed, elderly people are capable of experiencing strong love. In that sense, the poet has written his first-hand experiences, when the lust had culminated in wonderful intense orgasms.
