**Companion Workbook: Atomic Habits** Julie Ann Price, 2019-04-04 You've read the bestselling book, *Atomic Habits*, by James Clear. Now, it's time build great habits. Habit building is a process that will take you time and it's one you can only master through practice. At first, creating and sticking with new habits will be very tough. However, over time and with repetition, you will get to the point where creating new habits becomes easy. I created this workbook for myself so that I could practice building new habits and eliminating some not-so-great ones. I am happy to share it with you. Please note that this workbook is based on my interpretations of *Atomic Habits*. It is in no way a reflection of the author and is not affiliated with the original book. I took what I learned from the book and created a way to put it into practice. I hope you find value in it as well. The Kindle version comes with a PDF download version as well.
