Ezekiel Project: The UFO Bible Connection LaRoya,2018-11-03 Many will argue that the Bible, if it is to be taken seriously, is all about how its read and interpretation. With that in mind, there are many who subscribe to the ancient astronaut theory in particular, who believe the Bible to be filled with accounts of UFO encounters and interactions between human beings and extraterrestrials. What Ezekiel saw is one of the most seized upon accounts. What if I told you that this was all simply an allegory about a form of ancient Hebrew yoga known as Merkabah Mysticism, its psychology and that the events never really, actually happened, except of course inside of YOU. Psychology it self has roots stretching all the way back to ancient India and Egypt. Learn the mysteries behind the fables that can be applied to every day life that are in synch with natural laws. Learn to resonate with the universe through these teachings.

Alchemy of Christ: The Book of Revelations LaRoya,2017-07-10 It has been a long tradition among the Hebrews to use the pesher (dream interpretation code) which had encoded messages regarding two levels of information written within a story. One level was written as an allegory that told a message about morality. The other level was written about esoteric instruction and political events which mirrored inner growth. Each of the 22 chapters are inspired by the 22 Hebrew alphabet letters. In this book *The Alchemy of Christ: The Book of Revelation* I give a commentary on the Book of Revelations. Apocalypse means revealing, and it is the revealing of the Christ within. The final battle of Armageddon takes place within us. This is an inner war that will transform us and bring us back to recovery to the state of Christ Consciousness. The political struggles within the world mirror the transformation of the individual. Just as we recover, the earth as a whole will recover as well leading to an enlightened Civilization.

Parables & Prophecy Bill Donahue,2010-08-27 Some portions of the Bible appear mysterious and hard to understand. When we read prophecy, we wonder how it applies to us today. When we read a parable, several meanings may come to mind. How do we know which is correct? Poetry and proverbs may seem obscure. The letters to churches don't seem to connect to us. How do we read each of these types of Bible literature in a way that is both faithful to the text and authoritative for our lives? This guide points the way.
