

S By Pl Travers

Victor M. Corman

Mary Poppins, She Wrote Valerie Lawson, 2013-12-03 The story of Mary Poppins, the quintessentially English and utterly magical children's nanny, is remarkable enough. She flew into the lives of the unsuspecting Banks family in a children's book that was instantly hailed as a classic, then became a household name when Julie Andrews stepped into the starring role in Walt Disney's hugely successful and equally classic film. Now she is a sensation all over again—both on Broadway and in Disney's upcoming film *Saving Mr. Banks*. *Saving Mr. Banks* retells many of the stories in Valerie Lawson's biography *Mary Poppins, She Wrote*, including P. L. Travers's move from London to Hollywood and her struggles with Walt Disney as he adapted her novel for the big screen. Travers, whom Disney accused of vanity for thinking she knows more about Mary Poppins than I do, was a poet and world-renowned author as tart and opinionated as Andrews's big-screen Mary Poppins was cheery and porcelain-beautiful. Yet it was a love of mysticism and magic that shaped Travers's life as well as the very character of Mary Poppins. The clipped, strict, and ultimately mysterious nanny who emerged from her pen was the creation of someone who remained inscrutable and enigmatic to the end of her ninety-six years. Valerie Lawson's illuminating biography provides the first full look at the life of the woman and writer whose personal journey is as intriguing as her beloved characters.

Baltimore City Directory, 1913

Mary Poppins Pamela Lyndon Travers, 2018-10-23 A wind brings some English children a new nanny who slides up the bannister, introduces the two oldest to her friends, and takes them on many adventures.

Translating England into Russian Elena Goodwin, 2019-12-26 From governesses with supernatural powers to motor-car obsessed amphibians, the iconic images of English children's literature helped shape the view of the nation around the world. But, as *Translating England into Russian* reveals, Russian translators did not always present the same picture of Englishness that had been painted by authors. In this book, Elena Goodwin explores Russian translations of classic English children's literature, considering how representations of Englishness depended on state ideology and reflected the shifting nature of Russia's political and cultural climate. As Soviet censorship policy imposed restrictions on what and how to translate, this book examines how translation dealt with and built bridges between cultures in a restricted environment in order to represent images of England. Through analysing the Soviet and post-Soviet translations of Rudyard Kipling, Kenneth

Grahame, J. M. Barrie, A. A. Milne and P. L. Travers, this book connects the concepts of society, ideology and translation to trace the role of translation through a time of transformation in Russian society. Making use of previously unpublished archival material, Goodwin provides the first analysis of the role of translated English children's literature in modern Russian history and offers fresh insight into Anglo-Russian relations from the Russian Revolution to the present day. This groundbreaking book is therefore a vital resource for scholars of Russian history and literary translation.

Polk's Baltimore (Maryland) City Directory, 1901

The Real Life Mary Poppins Paul Brody, 2013-02-20 Among twentieth century authors, P. L. Travers was by far the most productive and famous to hail from the British colony of Australia. After a brief and modestly successful acting career, she moved to London and pursued her own brand of journalism. She was a well-regarded drama critic and travel author, and she became friends with many influential writers and thinkers on both sides of the Atlantic Ocean. Eventually, she found her greatest voice in the form of Mary Poppins, the mysterious and powerful Edwardian nanny. Thirty years after the first Poppins adventure is published, Walt Disney produced a live-action movie version, which has ingrained itself forever in the popular imagination. This biography traces Travers from her youth, her early career in acting and writing, the making of Mary Poppins, and more. LifeCaps is an imprint of BookCaps™ Study Guides. With each book, a lesser known or sometimes forgotten life is recapped.

Transcript of the Enrollment Books New York (N.Y.). Board of Elections, 1919

Mary Poppins She Wrote Valerie Lawson, 2010-11-01 Discover the true story behind the creation of the world's most beloved nanny, now appearing in Disney's Mary Poppins Returns. Mary Poppins flew into the lives of the Banks family and secured her place in the hearts of generations of children. Published in 1934, the book was instantly hailed as a classic. By the time Julie Andrews graced the screen in Disney's 1964 adaptation, Mary Poppins was a household name. The quintessentially English nanny was conceived by an Australian, Pamela Lyndon Travers, whose troubled childhood bore little resemblance to the cheery optimism that is associated with the beloved children's tale. Fiercely independent, Travers left Australia for London in 1924 to work as a journalist and found herself rubbing shoulders with literary elites such as W.B. Yeats and T.S. Elliot. Travers famously clashed with Walt Disney, reluctantly selling him her film rights, and then slamming the resulting movie as 'all fantasy and no magic'. Like her mysterious character, Travers remained inscrutable and enigmatic to the end of her ninety-six years. Valerie Lawson's detailed biography provides the only glimpse into the mind of a writer who fervently believed that 'Everyday life is a miracle'. Valerie Lawson's illuminating biography examines the extraordinary life of the woman behind one of our most treasured characters.
