

Consulado Uruguayo En Rosario

Uruguay. Consulado, Buenos Aires

Informes del consulado general de la Repblica Oriental del Uruguay en la República Argentina ... Uruguay. Consulado, Buenos Aires,1890

Almanaque del mensajero ,1901

Uruguay Tim Burford,2010 They won the first soccer World Cup. There's a lot of beef raised on the pampa. That's all most people know about Uruguay. Bradt's Uruguay, the only dedicated English-language guide to a country that's small yet bursting with character, shows that the adventurous tourist can uncover much more. It provides in-depth coverage of the capital Montevideo, where the colonial Old City is being restored. There's also detailed information on the coastal city of Colonia (which is on UNESCO's World Heritage List) as well as Punta del Este, to whose beaches the Buenos Aires beautiful crowd flocks each summer. There's advice, too, for active travellers who can rattle their whips on cattle-ranching estancias and spin their sticks in a game of polo or two and for nature enthusiasts keen to watch wildlife in the western wetlands and birds in Cabo Polonio and Santa Teresa. Plus, the book investigates the Brazilian influences behind Uruguay's music and dance, and the country's Afro-Uruguayan culture, most noticeable in Carnaval.

The Republic of Uruguay, South America Uruguay. Consulado, London,1883 The Uruguayan Consulate in London published this guide to Uruguay in 1883 - today, it offers a unique and detailed history of the early years of the Republic as told by well-informed government officials. In an attempt to inform interested persons about its qualities, the Uruguayan Embassy produced this book. The United Kingdom was then the largest trading partner of the country, with migration and trading voyages ongoing. At the time the capital Montevideo was the urban district of main significance; the consular officials describe it, and the burgeoning rural economies of the countryside. The rich landscape is tempered somewhat by older farming methods, yet Uruguayan produce was consistently abundant enough to afford several public works such as a modern port and public roads. We learn how the commercial endeavors of Uruguay resulted in tax revenues that expanded its

influence and resulted in a prosperous class of merchants and tradespeople. The population is very diverse; vast quantities of migrants from Italy, Germany, Britain, France and other nations are recorded. Meanwhile counts of cows, oxen, mares, sheep, pigs and other creatures are kept as authorities endeavor to organize nation's agriculture. In all, this summary of Uruguay is historically valuable, shedding light into its nascent culture and economy.
