

Female Homosexuality In Ancient Greece And Rome

D P Verene,Donald Phillip Verene

Female Homosexuality in Ancient Greece and Rome Sandra Boehringer,2021-09-06 This groundbreaking study, among the earliest syntheses on female homosexuality throughout Antiquity, explores the topic with careful reference to ancient concepts and views, drawing fully on the existing visual and written record including literary, philosophical, and scientific documents. Even today, ancient female homosexuals are still too often seen in terms of a mythical, ethereal Sapphic love, or stereotyped as Amazons or courtesans. Boehringer's scholarly book replaces these clichés with rigorous, precise analysis of iconography and texts by Sappho, Plato, Ovid, Juvenal, and many other lyric poets, satirists, and astrological writers, in search of the prevailing norms, constraints, and possibilities for erotic desire. The portrait emerges of an ancient society to which today's sexual categories do not apply—a society before sexuality—where female homosexuality looks very different, but is nonetheless very real. Now available in English for the first time, *Female Homosexuality in Ancient Greece and Rome* includes a preface by David Halperin. This book will be of value to students and scholars of ancient sexuality and gender, and to anyone interested in histories and theories of sexuality.

Homosexuality in Greece and Rome Thomas K. Hubbard,2003-05-12 Important primary texts on homosexuality in ancient Greece and Rome are translated into modern, explicit English and collected together in this comprehensive sourcebook. Covering an extensive period, the volume includes writings by Plato, Sappho Aeschines, Catullus and Juvenal.

Gay and Lesbian Communities the World Over Rita J. Simon,Alison M. Brooks,2009-12-30 Gay and Lesbian Communities the World Over examines the treatment and status of gays and lesbians in 21 countries around the world. The countries included are Canada, the United States, Argentina, Brazil, Great Britain, France, Germany, Italy, Sweden, Hungary, Poland, Russia, Israel, Egypt, Iran, Nigeria, South Africa, India, China, Japan, and Australia. The book explores the history of homosexuality dating back to ancient Greece and Rome, as well as attitudes toward gays and lesbians within the world's most prominent religions, the arts, literature, and film. This investigation is unique due to its comprehensive and innovative analysis of a wide range of topics concerning gay and lesbian communities across a large number of countries. The authors report on the rights of gay and lesbian citizens in the countries listed above, as for example the right to marry, adopt, serve in the military, hold certain occupational positions. They also describe the status of gay and lesbian citizens as for example, the legality of homosexuality and sanctioned punishments. When available, public opinion data are reported on how

respondents feel about gays and lesbians in their country as well as their opinions on what rights should be afforded to this group. Data are reported on respondents' opinions on allowing gay marriage, civil unions, adoption, and allowing gays to openly serve in the military. The representative sample of countries in this study will help scholars get a better sense of the status of gays and lesbians across the globe.

Ancient Greece and Rome: Rome-Zeus Carroll Moulton,1998 Presents a history of ancient Greece and Rome as well as information about the literature and daily life of these early civilizations.

300,000 Kisses Seán Hewitt,Luke Edward Hall,2023-10-10 A landmark illustrated anthology of queer Greek and Roman love stories that reclaim and celebrate homosexual love and sensuality, from artist Luke Edward Hall and award-winning poet Seán Hewitt. For centuries, evidence of queer love in the ancient world has either been ignored or suppressed. Even today, only a few narratives are widely known: the wild romance of Achilles and Patroclus; the yearning love of Sappho's lyrics; and the three genders introduced in Plato's Symposium. Yet there is a rich literary tradition of queer Greek and Roman love that extends far beyond the prudish translations of these familiar handful of stories. In 300,000 Kisses, award-winning poet Seán Hewitt and renowned designer Luke Edward Hall collect these stories—including some of the most beautiful and moving in the classical canon—and bring them to vivid life. Alongside celebrated works by Homer, Sappho, Ovid and Catullus, they include a wide range of rarely anthologized sources: raunchy poems, thoughtful dialogues, philosophical treatises, and even a graffiti text salvaged from the ruins of Pompeii. Through Hewitt's contemporary translations and Hall's vibrant illustrations, we encounter relationships that are by turns heartfelt and nourishing, unrequited and lustful, toxic and crude, tender and fulfilling. A groundbreaking anthology that seeks to change the way we see the ancient world, 300,000 Kisses is a fascinating journey through love in all its forms.

Encyclopedia of Women in World Religions Susan de-Gaia,2018-11-16 This reference offers reliable knowledge about women's diverse faith practices throughout history and prehistory, and across cultures. Across the span of human history, women have participated in world-building and life-sustaining cultural creativity, making enormous contributions to religion and spirituality. In the contemporary period, women have achieved greater equality, with more educational opportunities, female role models in public life, and opportunities for religious expression than ever before. Contemporaneously with this increased visibility, women are actively and energetically engaging with religion for themselves and for their communities. Drawing on the expertise of a range of scholars, this reference chronicles the religious experiences of women across time and cultures. The book includes sections on major religions as well as on spirituality, African religions, prehistoric religions, and other broad topics. Each section begins with an introduction, followed by reference entries on specialized subjects along with excerpts from primary source documents. The entries provide numerous suggestions for further reading, and the book closes with a detailed bibliography.

Ancient Greece and Rome Carroll Moulton,1998 Presents a history of ancient Greece and Rome as well as information about the literature and daily life of these early civilizations.

Chinese Lesbian Cinema Liang Shi,2014-10-23 The emergence of lesbian film in the first decade of the twenty-first century symbolizes a breakthrough through the creation of new cinema that opens up a space that was not previously available or accessible in China. These motion pictures present a new breed of characters—namely, lesbians—as well as a new sexual subject on the screen for the first time in the history of Chinese cinema. Blending historicist and comparative approaches, this book begins with a critical genealogy of Chinese homosexual traditions in the first two chapters. This strategy allows the author to examine a number of films individually through contextualizing their historical and cultural articulations and interpretations through the remainder of the book.

Ancient Greece and Rome: Demeter-Law, Roman Carroll Moulton,1998 Presents a history of ancient Greece and Rome as well as information about the literature and daily life of these early civilizations.

Woman and Love Bernhard Adam Bauer,1927 Some treatment of gay and lesbian issues - anti-, for the most part, but not so benighted as one might expect!-pt.

Same-Sex Desire and Love in Greco-Roman Antiquity and in the Classical Tradition of the West Beerte C. Verstraete,Vernon L. Provencal,2014-05-01 New and surprising insights into homoeroticism of times past In ancient times, the Greek god Eros personified both heterosexual and homosexual attractions. *Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West* explores the homosexual side of the vanished civilizations of Greece and Rome, and the resulting influence on the Classical tradition of the West. Respected scholars clearly present evidence that shows the extensive nature of homoeroticism and homosexuality in the Classical world. Iconography such as vase decoration and carved gemstones is presented in photographs, and the text includes an examination of a wide selection of literature of the times with an eye to opening new vistas for future study. *Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West* lays to rest the myths generally accepted as truth about Greco-Roman views on homosexuality and brings fresh insights to philological and historical scholarship. This book provides nuanced, humanistic discussions on the common phenomena of same-sex desire. Topics include Greek pederasty and its origins, the Greek female homoeroticism of Sappho, homosexuality in Greek and Roman art and literature, and the emergence of the gay liberation movement with the influence of discussions of Greek and Roman homosexuality in the twentieth century. The text is extensively referenced and includes helpful notation. *Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West* provides a comprehensive table of abbreviations, subject index, and index of names and terms. It discusses in detail: the integral role athletic nudity played in athlete-trainer pederasty the central role of pederasty in Greek history, politics, art, literature, and learning tracing the history of the Ganymede myth how the athletic culture of Sparta contributed to the

spread of pederasty in Greece homosexuality in Boeotia in contrast to the rest of Greece the homoeroticism of Sappho dispelling generally accepted myths prevalent about Roman sexuality Roman visual representations of homosexuality as evidence of prevailing attitudes homoerotic connotations in literature and philosophy of the Italian Renaissance the effect of German classical philology on gay scholarship English Romantic poets and the importance of male love in their lives the Uranians' use of allusions and themes from ancient Greece the building of intellectual community through gay print culture through the use of Greece and Rome as models and more Same-Sex Desire and Love in Greco-Roman Antiquity and in Classical Tradition of the West is essential reading for Classicists, specialists in gender/sexuality studies, humanists interested in the classical tradition in Western culture, psychologists, and other social scientists in human sexuality.

The Top Books of the Year Female Homosexuality In Ancient Greece And Rome The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels enthralling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the captivating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Female Homosexuality In Ancient Greece And Rome : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Female

Homosexuality In Ancient Greece And Rome : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
