Olivia MacMillan wonders what she's let herself in for when she agrees to accompany Josh Morgan to the European Riviera. Josh says he wants her contacts in the casinos so he can play in exclusive, high-stakes poker games. But she soon learns that his motives are more sinister than a simple game of poker. What could make a former Special Forces specialist come out of retirement for one last, kick-ass mission? Author Caution: Unlike my usual sweet romances, this book contains explicit sexual content.

The Pocket Guide to Brilliance Bart King, 2020-05-29 The author of Dad Humor offers an entertaining look at American history's geniuses, leaders, and dunderheads in a clever quest to define brilliance. With dry humor and a wealth of fascinating trivia, Bart King explores what it means for a person to be brilliant. What he discovers is that brilliant people are those who walk farther, think deeper, and talk louder than the rest of us. They do what it takes to get the job done—and then some. The masters of brilliance profiled here include presidential candidate John Lindsay, who released chickens into his opponent's crowd to spur on a debate; the first female journalist, Anne Newport Royall, who forced an interview with John Quincy Adams after catching him skinny dipping; and Benjamin Franklin, who of course coined the phrase A penny saved is a penny earned, but also offered the lesser known A man who lives on hope, dies farting.

Under A Dark Sky Johan M. Dahlgren, 2021-12-25 On rebel planet Elysium, a man is executed on live video streamed by religious extremists. Nothing terribly original so far for Elysium. Only this time, the man doesn't die. When security expert Asher Perez is sent to find him, dark secrets about the rebel colony are exposed. Something dark is stirring in the shadows. Something that has been watching humanity since the dawn of history.
