The Real Narrow Path into the Hidden Kingdom of God Joseph Ho, 2015-08-28 This book was birthed as a result of seeing many sincere Christians falling into heresy, myths, and fairy tales spun by irresponsible preachers who would speak anything in order to gain an audience through lies and deceit. The contents of this book are not fictional. They were all painstakingly tested and lived in order to test the doctrines learnt in the modern churches. This book is dedicated to help those who want to move in the Spirit of God, to be truly led by him and not by man-made rules and teachings, which have no power to manifest the presence of God in their walk. The author teaches how to hear from God and the main principles or laws in the kingdom of God that is true kingdom living. The author was ordained and called by God through three distinct verses given supernaturally by the Holy Spirit; these are Numbers 33:33, Job 33:33, and Ezekiel 33:33.

Deciphering Good Omens Erin Giannini,Amanda Taylor,2023-09-20 Based on the novel by Neil Gaiman and Terry Pratchett, the Amazon Prime series, Good Omens, quickly gained a cult following after debuting in May of 2019. Contained in this story of looming Armageddon are explorations of grief, friendship, good and evil, the Bible, Milton, God and what it means to be human. This book provides thirteen essays that center on various aspects of the show, including theology, fan culture, female gaze, textual elements and more. Also examining Gaiman's sense of obligation to Pratchett, as well as the relationship between Good Omens and the hit series Supernatural, these essays provide a critical analysis of the show and its prominent themes.

Look at It This Way Jan Silvius,2010-05-12 Each person has his or her own particular way of looking at life: a kind of

grid that helps readers process whatever comes their way. Though this grid can be a helpful tool, far too often it is a weight around the neck. So what can be done about it? How can readers change their perspectives-replacing the grid that drags them down with one that equips them to face life's challenges and live victoriously? In *Look at It This Way*, author and speaker Jan Silvius explores, in-depth, vital truths that can help Christians reframe the way they think: breaking them out of their self-pity, anger, depression, anxiety and hopelessness, and equipping them to deal with the events, circumstances and people in their lives in a healthy and positive way. Jan highlights such key truths as "Whatever happens, it's one event in a lifetime of events," "For every choice there is a consequence," "God isn't angry with you," "The last chapter has not been written," and eight others. Deeply rooted in Scripture, these valuable insights will give readers hope and real help for managing their thinking, showing how they can, at last, move forward with the courageous and grace-filled life God intended them to live.

Standards in Stiletos Jazmin Frett,2013-08-16 Of course a great pair of heels will make any women feel confident in herself. *Standards in Stilletos* is a collection of Jazmin's blog articles and encouraging quotes. The articles promote female empowerment, self-love, respect for ourselves as women, and never allowing yourself to be disrespected. The articles put things in to perspective for women everywhere on how they can build up their self-esteem and happiness. The articles also touch on relationships and how women should refrain from selling themselves a dream by lowering standards or creating standards that are too high. The book illustrates that relationships require hard work, determination, and respect on all levels. In order for women to be able to love, they must find the love for themselves.
