King's Bride Exclusive Edition Beck Michaels,2023-05-23 He's the God of Death. She's the bride sent to kill him. Their union may be the end of them both.The Everfrost is ruled by the King in his castle of ice. Some call him the Ice Phoenix, others the God of Death The clans survive by one law alone: pay the King the homage he is due and never take what belongs to him. But when Sunnëva Morkhàn's brother falls gravely ill, she will have to do exactly that.Against every warning, she sneaks into the castle to steal the one thing that would save him-a magical rose. But you don't steal from the King and live to tell the tale. When the Ice Phoenix discovers her theft and demands payment, the cost is too steep. Mourning and enraged, she challenges him, only to lose. To spare her clan from the King's wrath, her father offers her as a bride, and for a reason she cannot fathom, the King agrees. Revenge is a delicate game Sunnëva is determined to play, even if killing the God of Death is no easy feat. But as secrets unfold around the alluring King, and dark threats emerge from the shadows, Sunnëva struggles to hold on to her hatred-and her heart.Inspired by Beauty and the Beast, King's Bride is the first book in Beck Michaels' companion prequel series, the Chronicles of Urn-dark fables founded in forbidden love and strong-willed women who bring kings to their knees.

Encountering Jesus Cornelis Bennema,2014-09-15 Applying a comprehensive theory of character to the Gospel of John,

Cornelis Bennema provides a fresh analysis of the characters and their responses to Jesus. While the majority of scholars view most Johannine characters as “flat,” Bennema demonstrates that many are complex, developing, and “round.” John’s broad array of characters correspond to people and their choices in real life in any culture and time. This book highlights how John’s Gospel seeks to challenge its readers about where they stand in relation to Jesus.

Feature Films, 1960-1969 Harris M. Lentz III,2009-12-29 This is a filmography, in two volumes, of not only all of the English-language movies made during the 1960s that had a U. S. theatrical release but major foreign films exhibited in the United States as well. The following information is provided for each film: year of release, nation of origin if other than the U.S., production or distribution company, black and white or color, running time, genre, production credits, cast and characters, and a brief synopsis. This turbulent decade is unusually interesting in the history of cinema. Those films released in the early part of the decade were similar to those of the 1950s, but as the years passed, the offerings changed in many ways.

The London Cabbie's Quiz Book Mr. Ian Beetlestone,2020-07-28 Pay a visit to London and a black mini cab will probably be one the first things you will see. The London taxi drivers are almost as famous as the black cabs in which they drive, this is mainly due to their in-depth knowledge of London and ability in taking their occupants to their desired

destination amid the congestion and the chaos that you often find when travelling through London's streets. London taxi drivers go through stringent training to obtain their licence, they need to pass "The Knowledge", a test which is amongst the hardest to pass in the world, and has been described as 'like having an atlas of London implanted into your brain'. The test requires you to master no fewer than 320 basic routes, all of the 25,000 streets that are scattered within the basic routes and approximately 20,000 landmarks and places of public interest that are located within a six-mile radius of Charing Cross. This book breaks the test down into a series of head-scratching questions and features enough trivia about the capital to surprise even born and bred Londoners. It's the perfect gift for anyone who thinks they know London inside-out, or wants to learn more!
