Using over 100 step-by-step illustrations and photographs, each treatment is described in detail - the origins, the techniques, what to expect from each one and the benefits. There are also quick and easy self-

massage techniques for instant stress-relief and total relaxation, as well as a section on where courses are held and addresses of trained therapy.

How to Massage Your Lover Kandace Blevin, 2021-07-03 *Updated and Expanded* The power of touch between lovers is what binds us to one another. There is nothing more loving or intimate for couples than bringing comfort, relaxation, stress relief, and sensual pleasure to your partner with a simple touch. In this book, written by me, a licensed massage therapist, you will learn how to perform an hour-long, full-body massage without your back or hands hurting. These are the same massage therapy techniques performed by the professionals and the massage style that I used in my own professional massage therapy practice. Included: 1. How to prepare for your session 2. The best location for your lover 3. Oil vs Lotion 4. How to set up your room 5. Music recommendations to set the mood 6. How to approach different personality types and their response to massage 7. Advice for different body-types 8. The complete one-hour massage routine Now, when your partner asks you to rub their back or shoulders, you can massage them with confidence. This how-to massage therapy guide will bring you from a beginner to massage mastery to please your loved one. Perfect gift for birthdays, Valentine's Day, and Christmas! Please note, this book is not intended to be used as a textbook for massage professionals. It is designed for the beginner or non-professional and is meant to enhance massage and loving touch between partners. In most states and countries, you are not allowed to conduct massage professionally without proper training and a license. Kandace Blevin is a massage therapist licensed in both Florida and South Carolina. She was the owner of a successful massage therapy practice in Fort Myers, FL from 2013-2017. She has worked in exclusive spas such as Playa Largo in Key Largo, FL and the Forbes 5 Star Sanctuary Spa in Kiawah Island, SC. Testimonials: Kandace is a phenomenal massage therapist! She possesses the knowledge and understanding to help with any ailment. More importantly, she has compassion and empathy to understand your situation. I highly recommend Kandace! Frank S. Kandace is an amazing massage therapist. She takes the time prior to the appointment to find out more about the areas you need relief. I always leave feeling relaxed as she has been able to find the tension areas offering me much needed relief from the pain caused by stress or pressure points. After the session, she will give you tips and pointers on stretches and exercises to do to help you feel better and recover faster. I highly recommend Kandace! Elizabeth D. Kandace has magic hands to soothe away anyone's aches and pains! She takes particular care to tailor her massages to fit each client's needs. I have been a client for over 2 years and really cannot live without my weekly Kandace fix! She has truly worked a miracle in helping me to achieve a more flexible and functioning body. I highly recommend her to anyone in need of a professional massage therapist. Kandace is by far one of the best massage therapists that I have ever been to. She is always professional, kind and really knows how to find those knots that I seem to always have way down deep :) Finding someone who really knows how to give a deep tissue massage is always a challenge and she is incredible! Jennifer D. As a massage therapist myself it is very integral for me to have deep therapeutic massages for my

wellness. Kandace is my go-to girl! Her knowledge of the anatomy and physiology mixed with her positive and influencing mood makes her one of the best! Valerie J. I have had many massages during my adult life....in many places....and Kandace was by far the best masseuse I have ever had! She immediately assessed my trouble areas and expertly eased the pain and spasms that have plagued me for weeks. I will be back..again and again! Julia W.

A Massage Therapist's Guide to Lower Back & Pelvic Pain Leon Chaitow, ND, DO (UK),Sandy Fritz, BS, MS, NCTMB,2007-11-19 A MASSAGE THERAPIST'S GUIDE TO LOWER BACK AND PELVIC PAIN describes in detail the background to the evolution of non-specific backache as well as the assessment and treatment methods ideal for use in combination with massage therapy, deriving from physical therapy, osteopathic, and chiropractic sources. The book describes these methods individually and then integrates them into a detailed description of a massage session focusing on the person with backache. This unique book takes care to consider the needs of the massage therapist, who previously may have had to adapt his/her own methodology from descriptions aimed at other health care professionals. Abundant illustrations enrich the text and bring content to life to make it easily understandable. Bulleted point text and summaries allow the reader to quickly find information and review important content. Easy-reference format and accessible language help break down concepts. Accompanying website [previously a DVD] demonstrates real-life examples of the palpation and treatment methods.

Dynamic Bodyuse for Effective, Strain-Free Massage Darien Pritchard, 2007-10-02 The most significant cause of early retirement from the massage profession is the cumulative strain on the body developed in the course of performing the work. The explosive growth of this occupation in recent years has been accompanied by an increase in the number of work-induced problems. Practitioners can easily strain their hands, particularly their thumbs, fingers, and wrists, as well as their shoulders and backs. Written by noted teacher and trainer Darien Pritchard, this useful book explains those aspects of massage that can lead to these problems and shows how to apply pressure in ways that avoid them. The focus is on how to use the body safely and effectively. The author explores the benefits of involving the whole body to generate the power and movement that support the hands, saving the hands by using them skillfully, and conserving them by using other body areas such as the forearms and elbow whenever possible. Featuring 2,000 illustrations, **Dynamic Bodyuse for Effective, Strain-Free Massage** is essential reading for anyone involved in massage, whether a student, a professional massage practitioner or teacher, sports massage therapist, or aromatherapist.

Pre- and Perinatal Massage Therapy Carole Osborne, 2012 Pre- and Perinatal Massage Therapy explores techniques of therapeutic massage and bodywork that enable massage therapists to support mothers and their babies throughout the childbearing year. In this updated edition of her widely used and trusted text, noted maternity massage therapist and teacher Carole Osborne details the physiological, functional, and emotional developments of childbearing. The three Technique Manuals included in the text teach clinically refined techniques, conveniently woven around women's common needs. -- Back cover.
