*Men Are Stupid . . . And They Like Big Boobs* Joan Rivers,Valerie Frankel,2008-12-30 Red carpet fashion laureate, comic icon, and outspoken superstar Joan Rivers gives her signature straight-talking advice to women on how to live better through looking better. Joan Rivers's abiding life philosophy is simple: in the appearance focused society of the twenty-first century, beauty is key—especially where men are concerned. So, getting something lifted, tightened, adjusted, or removed is as fundamental as wearing makeup or using hair conditioner. Now, for any woman considering her options, Joan takes the mystery out of cosmetic surgery with a practical overview, aided and informed by the country's top plastic surgeons. She takes us step-by-step through these entire processes, from finding the right doctor to the bruising truth about recovery and the facts about cosmetic surgery's very real risks. Of course, Joan also dishes about who's had what done in Hollywood and her own witty insights about her life under the knife. Part hilarious bitch-fest and part hands-on advice, this is a bracingly funny, wildly frank, and genuinely passionate argument for a woman's right to do whatever it takes to be beautiful, to feel better about herself, and most of all to be happy.

**Big Boobs Combat Zone** Jürgen Prommersberger,2021-10-13 BIG BOOBS COMBAT ZONE Busty girls show their large nipples – exciting black & white pictures When a man looks after a woman. What is his favorite for a first look? You have three guesses. Of course. It's the tits, that immediately catch the eye. And here you get exactly such eye-catching girls. On almost 170 pages, this illustrated book shows women who are different from other women. Yes, some of them have remarkable large tits. But that's not what I'm talking about. I am speaking about the nipples. They are exquisite and also the areolas are strikingly large. You could almost say, they kind of look like targets, that say to a lover, come nibble on me! Make me hot! Get caught up in the special eroticism of these exciting women. Enjoy. But this illustrated book is different. There are no colored pictures that I have selected here. Each picture was individually reworked as a very special black and white - shot. So actually normal women become extraordinary beings. Note: this is a picture book with naked women and not an erotic novel. Picture book with about 165 pages

*Storms Never Last* Joy Elaine McMillan, 2011-12-13 Being a Playboy bunny is every girls dream. Betty (Dyer) Miller found the world of Playboy to be a world full of glamour, glitz and excitement when she was chosen to be one of the very first Playboy bunnies when the Playboy Club opened in Cincinnati in 1964. Leaving the Playboy Club, she made many attempts at becoming a star. The story follows Betty as she invents many strange and unusual acts to achieve stardom. One act she attempted was being a snake dancer with her supposed boa constrictor, Sheila, which turned out to be a dangerous snake called an anaconda. We all know how fierce an anaconda can be. Another act found Betty being the Dancing Corpse, actually coming out of a casket and scaring a troop of African American cub scouts when she was doing publicity shots in a public park. This chapter is entitled Feets, Do Your Duty. Among her five husbands was celebrity Kenny Jones, who was a guitar player on the Midwestern Hayride - a popular television show that was telecast nationally. She had watched Kenny on the show for years, never dreaming that one day she would meet him and even marry him. What a thrill that had to have been. Being married to Kenny threw her into the world of top name performers like Kris Kristofferson and Johnny Paycheck who would jam with Kenny at a club called Whiteys in Cincinnati. Betty also narrowly escaped being one of the Cincinnati Stranglers victims as she encountered him one night after leaving the Playboy Club. Her encounter with him is chilling and will have readers on the edge of their seats. Readers will be memorized by her story. Should Hollywood ever get hold of it, the life and times of Betty Miller would make an excellent and very entertaining movie.
