The Grail Rider Inaiya Ray,2017-01-09 The Grail Rider is a spiritual memoir born from a life-altering Shamanic Journey inspired by the overlighting wisdom of the Christos Sophia. Throughout the ceremony, the blue fire of Divinity consumed all falsities of Self, infusing Inaiya with an all embracing love that suspended her in Grace. While she lay motionless on the forest floor, Inaiya communes with her Family of Light and is downloaded with a vivid, multi-dimensional transmission that illuminates the seeding of Universal Christ Consciousness, encoded to blossom within her and the hearts of all beings at this unprecedented epoch in time. Inaiya is shown how life on Earth would be brought back into balance through each being undergoing the inner alchemy of the Divine Marriage. Inaiya, along with humanity, was at a vital crossroads, where her destiny called her irresistibly forth to embark upon an initiatory journey and follow a chain of synchronicities that would unveil the true nature of the Beloved. You are invited to venture along with Inaiya through the mythic Grail lines of Glastonbury, the French Pyrenees, Mediterranean Coast, Italy and Greece as she traces and re-discovers the richly encoded wisdom and timeless transmissions of the Divine Masculine and Divine Feminine as they rise, newly empowered to usher in an awakened New Earth unified in Oneness, sovereignty and resounding beauty. The Grail Rider is not only a holographic travel adventure woven with cosmic codes of light, it is an eternal love story and quest of the Soul, that magically unveils an alchemical treasure map that is altogether paradigm shifting. Steeped in humility, humour, and the transparent quandaries of a modern day Priestess, The Grail Rider is an offering of love, here to awaken and inspire all those who are called to return to the heart of the wild Divine.

Debating Disney Douglas Brode, Shea T. Brode, 2016-06-30 With stakes in film, television, theme parks, and merchandising, Disney continues to be one of the most dominant forces of popular culture around the globe. Films produced by the studio are usually blockbusters in nearly every country where they are released. However, despite their box office success, these films often generate as much disdain as admiration. While appreciated for their visual aesthetics, many of these same films are criticized for their cultural insensitivity or lack of historical fidelity. In *Debating Disney: Pedagogical Perspectives on Commercial Cinema*, Douglas Brode and Shea T. Brode have assembled a collection of essays that examine Disney's output from the 1930s through the present day. Each chapter in this volume represents the conflicting viewpoints of contributors who look at Disney culture from a variety of perspectives. Covering both animated and live-action films as well as television programs, these essays discuss how the studio handles social issues such as race, gender, and culture, as well as its depictions of science and history. Though some of the essays in this volume are critical of individual films or television shows, they also acknowledge the studio's capacity to engage audiences with the quality of their work. These essays encourage readers to draw their own conclusions about Disney productions, allowing them to consider the studio as the hero—as much as the villain—in the cultural deliberation. *Debating Disney* will be of interest to scholars and students of film as well as those with an interest in popular culture.

Dissenting from Donald Trump While Listening to "The Battle Hymn of the Republic" Rodney Wallace Kennedy, 2025-08-21 Democracy now exists in a state of precarity. The anti-democratic swing in America's mood has been orchestrated by President Donald Trump. He has used demagoguery, a false populism, fear, and a spirit of resentment and revenge to enthrall the masses. His excessive rhetoric has divided and angered the nation. The essays in this book dissent from Trump - his rhetoric, his actions, his lies, his deceptions, and his lack of respect for the rule of law. All the negative descriptions of President Trump can be summarized in one theological term: Evil. His actions are those of a person who is the incarnation of evil. My protests have now continued for more than nine years. Democracy can't survive without dissent. This is a book of dissent.

Quotes on Ships and the Sea Jonathan Crowe, 2008 Is it the draw of unknown lands, the rhythm of the waves, the thrill of adventure? Or is it the sea, something about the sea itself, which draws a sailor to his task? Confronting the raw elements of life sharing in her triumphs and her sorrows in ways no land-lubber will ever know, the sailor knows that his skill, and his

ability to move with the pulse of the sea, skies and wind are all that stand between himself and eternity. I have never known an ex-sailor. It would be an anomaly. There are sailors and there are land lovers. And there really is nothing in between.

The Story of Life Christopher McKeon, 2022-08-01 "Creator, do you have a family?" said my youngest. And he answered! Thus began our healing through awareness with Mina (how we address the human person—God—who built our universe), the archangels, and many others in spirit world. Our explosive conversation over the next 18 hours revealed God, angels, humanity, why we are as we are, and our universe as never before imagined. Spirit mediums Christopher McKeon and his daughters Ayako and El shatter the paradigms and magical thinking handed down to us through history by religion, philosophy, mysticism, and science. Experience, as we did, healing of your trauma, pain, and suffering through gaining awareness of your true reality. Included are ten historical spirit persons who give short testimonies of their experiences to help explain certain aspects of our—your—life reality. You'll never feel the same, or look at the world around you the way you did, as your awareness takes flight from unawareness with new wings on new winds. Be prepared for a story of life like nothing you've ever experienced. Best of all, you'll learn how you, too, can talk to Mina, 'angels,' your spirit family and guides, and willing spirit persons to get your own answers (without having to take ours on faith) as a ground-floor participant

in the nascent worldwide energy testing community! For Mina, this book is all about healing your pain and suffering by revealing our personal, and larger, human reality. You'll find it all inside. A chapter summary: Part I is a narrative of our experience discovering energy testing and our shocking meet-up with our 'creator;' Part II describes how you and our universe are infinite and eternal as existence, time, space, and consciousness, including: —an overview regarding our true natural reality: matter, energy, gravity, mass, lightspeed (normal and actual), relativity and the quantum, black holes, the Big Bang, quantum entanglement/tunneling, how the natural universe interacts with the supranatural (spirit) universe; —what is All Existence of which our universe is a part; —all about consciousness (psyche) and how our physical body interacts with our spirit body; —'psyche fundamental force' (Intentionality); —and culture as the individual; Part III describes the origin of humanity and includes: —the birth of humanity; —who and what our creator is —how our universe came to be our home —why human life seems destructive and filled with pain and suffering; Part IV is the real 'woo-woo' of the book and includes: —how we exist and live as physicospirit-embodied individuals; —our mind, conscience, PTSD; —killing, abortion, euthanasia, suicide; —lineage and DNA; —what happens at death; —fate, destiny, and free will; —suffering, hope, depression, reincarnation, and the origin of slavery; —happiness, love and hate; —government and society; —evil; —beauty and ugliness; —spirit world; —the chakras and aura as they really are and what they do; —Intentionality; —who and what 'angels' really are; —history of Earth's humanity and radiometric dating; —our physicospirit self; —religion; —what is healing, how to heal; —human freedom; —astral projection, the Akashic Records; —marriage, sex; —animal familiars; —ten historical spirit persons' testimony: Duke Wen of Zhou, Hitler, Hannibal Gisco, Mio, Mnidho of Nihoa, Tethys, Jesus, Sun-myung Moon, Muhammad, Buddha; Part V teaches you energy testing so you can learn how to talk to Mina (God), 'angels,' your spirit family, spirit guides, and any willing spirit person to get your own answers to life.
