Love Is Life MANUSCRIPT BOOK of Poems Fred Bear, 2024-10-15 A life's journey To the center of the heart Done through poetry A story of adventure Through the chapters of my life And the unexpected journey I now find myself on Guided by the evolution Of my dreams The first eleven poems of this book were written in my youth to my love in life. We spent fifty-seven wonderful years together living and loving so many adventures in our life. We began this adventure on the first day we met and continued it throughout our lifetime together. The eighty-nine poems that have followed since her passing have been given to me to share with family, friends, and all souls wishing to feel the beauty of love and faith. They are truly an unexpected journey in finding myself and sharing this purpose with others who have experienced loss. I have been blessed with the words and thoughts to inspire me and others to live in the now. For there is a purpose for all in life to continue one's journey and share peace and joy with all we meet. My dear friend, Faye, sent me a note that read, Keep busy, my friend, don't let your mind go there and give yourself a break. I know you are struggling today, try to keep your mind busy. The sun will come out. I promise. These words have evolved into an unexpected journey to create a lasting act of love that shows grace, warmth, and kindness to share with all who dare to dream.

Whispers of the Heart Somnath Bhattacharjee, 2024-04-09 Whispers of The Heart is an intimate poetry collection, holding 12 poems that explore love's deepest secrets and unspoken truths. The poem's themes are passionate longing and hidden desires, where love speaks in hushed tones through the corridors of the soul, sharing secrets that only hearts can understand. It's intoxicating and feels so profound to write love, a love which is so deep, crimson and velvet, with burning eyes of the lover, and trembling lips of the beloved, where intensity lays, where love is often showcase as in poetry, as I write. Maybe not all the time love needs to be spoken aloud? Maybe sometimes, it sounds better, to show love as it whispers? Sacred and Secret? Maybe Mysterious too? They say when hidden love is written beautifully, it becomes more powerful than any declaration. And if my words echo in the reader's silence, that is the greatest gift an author can receive. Maybe sometimes, longing is written in a way which turns into sacred communion itself? A communion, a holy communion, where readers feel the ache and deep inside, they recognize their own hidden desires, which have stirred their spirit. Maybe that's what whispered and sacred emotion is? In this Poem Collection, Whispers of The Heart, I have tried to explore the unspoken emotions, which may resonate in the reader's soul. A Longing Written in Such Beautiful Way, Which Turns into Sacred Prayer

Ah Beloved, you don't know the meaning of my words, it holds chambers of secrets inside, waiting to be whispered. Now, it became like, when I hear silence, I hear your voice, and when I speak, I wish you could hear my heart. Read Whispers of The Heart and tell me, did my words touch your soul?

What Is Compersion? Marie Thouin,2024-06-10 What is compersion? Is it the “opposite” of jealousy, as it is usually believed? Is it an emotion or a behavior? What causes it to arise and bloom? Can we “learn” compersion or invite more of it into our lives? Based on her seminal research with consensually non-monogamous (CNM) individuals, Dr. Marie Thouin unravels these questions and more in the first-ever book to offer a comprehensive model of compersion and a practical road map to cultivating it. Each chapter features compelling stories from real CNM people, making this a captivating and highly applicable read. In addition, Thouin addresses the broader social context, explaining how understanding compersion is a groundbreaking step toward a world that supports relational diversity and freedom. By disrupting the idea that jealousy is the only valid response to intimacy beyond monogamy, the existence and practice of compersion builds the foundation for a completely new paradigm of loving relationships. This book and its conclusions have profound implications for many fields of study and practice including psychology, sexuality studies, philosophy and ethics, and law. Indispensable for CNM individuals, therapists, counselors, and scholars, this book is also invaluable for anyone curious to learn about positive empathy, intentional relationships, and radical love.

Divine Love is lying alone in concealed potentiality Simon Magus, George R.S. Mead,2018-08-10 Edited selections and notes by G.R.S. Mead on the Aeonology of Simon Magus. The unmanifested Universal Cause of all Universes is lying in potentiality and in Incomprehensible Silence. Producing itself by itself, it manifested to itself its own Thought. Then, from the Fire of Divine Thought, six syzygies passed to action. Tripartite Fire is One. The fire eats up all which connects with it from below. The dark part of the flame is a throne upon which the white part of the flame stands. The dark part changes its colour. The white part never changes. And above the white part rests a Hidden Light which is stronger.
