

# Sons Of Sin Series

**James K. Bruckner**

*Exodus (Understanding the Bible Commentary Series)* James K. Bruckner, 2012-07-01 The New International Bible Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit. Based on the widely used New International Version translation, the NIBC presents careful section-by-section exposition with key terms and phrases highlighted and all Hebrew transliterated. A separate section of notes at the close of each chapter provides additional textual and technical comments. Each commentary also includes a selected bibliography as well as Scripture and subject indexes.

*Country Sermons. New Series* Frederick Kuegele, 1908

Luzac's Semitic Text and Translation Series , 1906

*1 & 2 Samuel (Understanding the Bible Commentary Series)* Mary J. Evans, 2012-07-01 Identifying three streams of concern in the books of Samuel (politics, people, and preaching), Mary Evans demonstrates how each of these manifests itself in the underlying and unifying theme of power-and powerlessness. She then uses this concept of power as a fascinating matrix for interpreting the events God ordains and the characters God uses in biblical history. Evans defends her case for the unity of the books that we divide into 1 and 2 Samuel with a sensitivity to the composition of the text and the intentionality of the various writers who had a hand in bringing the different accounts together. The discussion interacts with the parallel material in Chronicles and Kings and recognizes the importance of the themes of covenant and law, especially from the Deuteronomic perspective. The commentary, with its additional notes, also includes a good breadth of references to scholarly debate and discussion on various issues. Evans brings the often theologically difficult text of Samuel and the complex characters of Samuel, Saul, David, and others into sharp focus for the contemporary reader while offering fresh insights and perspectives on the ancient text.

*Fourth Series. Edited by W.R. Nicoll* , 1892

The Indian Decisions (Old Series) T. A. Venkasawmy Row, 1912

*The John Watts de Peyster Publication Fund Series* , 1905

**Covenant (biblical Themes Series)** Steven L. McKenzie, 2000 Each book in this series provides an in-depth look at a major recurring theme in the Bible and its lasting theological influence. The series is designed to enhance the reader's

understanding of our biblical heritage and its relevance to faithful life today. Covenant is a principal image used in both testaments to express the relationship between God and humans. McKenzie explores the theological concepts of election, faithfulness, obedience, and law as they relate to covenant in both Testaments and raises the importance of covenant as a link between Judaism and Christianity.

**The Edinburgh Review, Or Critical Journal** ,1870

**Nicene and Post-Nicene Fathers First Series, St. Augustine** Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity. For the first time, doctrines were organized into a single creed. The Nicene and Post-Nicene Fathers did most of their writing during and after this important event in Church history. Unlike the previous era of Christian writing, the Nicene and Post-Nicene era is dominated by a few very important and prolific writers. In Volume VI of the 14-volume collected writings of the Nicenes and Post-Nicenes (first published between 1886 and 1889), readers will find Saint Augustines exegesis on the Gospels and the Sermon on the Mount, which strove to interpret and draw meaning out of the text without incorporating the author's personal agenda or bias. Also included in this volume are a selection of Augustines sermons.

Harvard Oriental Series ,1921

**Ecclesia. Church Problems Considered in a Series of Essays** Henry Robert Reynolds,1870

*Publication Fund Series* New-York Historical Society,1905

**Diatessarica (a series dealing with the interpretation of the Gospels). 10 pt. [with] Indices** Edwin Abbott  
Abbott,1914

Publication Fund Series ,1898

**Nelson's New Illustrated Bible Commentary** Thomas Nelson,1999-05-13 A comprehensive verse-by-verse commentary for lay Bible students, fully highlighted by articles, maps, charts, and illustrations-all in one volume. Clear and Comprehensive: Annotations by leading evangelical scholars don't dodge tough issues; alternative views are presented fairly, but commentators make their positions clear. Attractively Designed: Graphics appeal to the sound-bite generation and others who aren't traditional commentary readers. Interesting and Revealing: Hundreds of feature articles that provide additional information or new perspectives on a topic related to Bible background. Visually Appealing: Maps, drawings, and photos illuminate the commentary and visualize important information.

**"Granny's Chapters" - on Scriptural Subjects. (First, Second Series.).** Lady Mary Ross,1871

**The Indian Decisions (New Series)** ,1914

*The Indian Law Reports, Allahabad Series* ,1890
