

The Dressmaker Of Auschwitz

Gitel Donath

The Dressmakers of Auschwitz Lucy Adlington, 2021-09-14 A powerful chronicle of the women who used their sewing skills to survive the Holocaust, stitching beautiful clothes at an extraordinary fashion workshop created within one of the most notorious WWII death camps. At the height of the Holocaust twenty-five young inmates of the infamous Auschwitz-Birkenau concentration camp—mainly Jewish women and girls—were selected to design, cut, and sew beautiful fashions for elite Nazi women in a dedicated salon. It was work that they hoped would spare them from the gas chambers. This fashion workshop—called the Upper Tailoring Studio—was established by Hedwig Höss, the camp commandant's wife, and patronized by the wives of SS guards and officers. Here, the dressmakers produced high-quality garments for SS social functions in Auschwitz, and for ladies from Nazi Berlin's upper crust. Drawing on diverse sources—including interviews with the last surviving seamstress—*The Dressmakers of Auschwitz* follows the fates of these brave women. Their bonds of family and friendship not only helped them endure persecution, but also to play their part in camp resistance. Weaving the dressmakers' remarkable experiences within the context of Nazi policies for plunder and exploitation, historian Lucy Adlington exposes the greed, cruelty, and hypocrisy of the Third Reich and offers a fresh look at a little-known chapter of World War II and the Holocaust.

Sample Book Insights: #1 A group of women in white headscarves sat sewing at long wooden tables, heads bent over garments, needles in, needles out. They were sewing clothes for the wives of high-ranking men from the Auschwitz SS garrison. Men notorious for beatings, torture, and mass murder. #2 The forces that converged to create a fashion salon in Auschwitz were also responsible for shaping and fracturing the lives of the women who would eventually work there. The world is very small when we are children, yet rich with details and sensation. #3 Irene Reichenberg was born in 1922 in Bratislava, a beautiful Czechoslovakian city on the banks of the river Danube. Her birth came three years after a census that showed the city's population was mainly an ethnic mix of Germans, Slovaks, and Hungarians. #4 Irene's family was very large, and she had eight siblings. Her father was a shoemaker, and her mother a housewife. They were poor, and they struggled to support their large family.

The Dressmaker's Daughter Linda Boroff, 2022-03-01 Beautiful and spirited Daniela dreams of becoming a doctor while growing up in Yedinitz, Romania in 1940, but as a Jew, she is barred from higher education. Her mother, who is the dressmaker to a local countess, hires her a tutor, the rebellious and precocious Mihail. The two soon begin a passionate romance, unable to resist the powerful love and attraction they share. When the Nazis invade Romania, Daniela and Mihail's lives are forever changed: Mihail escapes and joins the partisans; Daniela is captured and sent on the notorious Transnistrian Death March, where Jews are starved, murdered, and robbed. Daniela is brutally raped by Romanian soldiers, and trapped by their depravity, she watches helplessly as her people are destroyed. Daniela's life is spared when her beauty catches the eye of a Romanian Iron Guard commander, Major Dragulescu, who forcibly takes her as his concubine and also sends her to nurse Romanian soldiers in the field hospital, where Daniela cannot help feeling pity at the suffering that surrounds her. One night Mihail appears with a troop of partisans on a mission to assassinate two key Nazis visiting the major. What happens next is both heroic and tragic, and results in Daniela's escape with the partisans, who train her in sabotage and battle tactics. She throws herself into living on the run behind enemy lines, and transforms herself into an effective soldier and partisan leader until the war mercifully comes to an end. *The Dressmaker's Daughter* is an unflinching look at the horrors inflicted by the Nazis upon the Romanian Jews during the Holocaust, and one brave young woman's ability to rise above her suffering and escape to freedom.

My Bones Don't Rest in Auschwitz Gitel Donath, 1999 Memoirs of a Jew (nee Kaplan), born in 1923 in Siedlce, Poland, describing her and her family's experiences after the German occupation. On 7 September 1939 her father disappeared while returning from Warsaw. He traded in shoemakers' trimmings. Gitel and her three siblings continued to work in the trade up through 1942. In spring 1940, Gitel and her sister Pearl opened a shop in Warsaw; it was enclosed in the ghetto in November. Gitel returned to Siedlce, carrying on the trade in leather and rubber. In fall 1941, Gitel, her brother Chaim, her stepmother and half-brother moved to Miedzyrzec. In early 1942, they got their younger sister, Rifka, out of the Siedlce

ghetto and Pearl out of the Warsaw ghetto. In the first action in Miedzyrzec in August 1942, the stepmother and little brother were deported. The four siblings managed to avoid four deportations by hiding, but in the fifth one Rifka was caught. In May 1943, Gitel, Pearl, and Chaim escaped to Upper Silesia, but they ended up in a Jewish ghetto, and were finally interned in the Srodula camp (a suburb of Sosnowiec). In December, Chaim was killed while trying to escape. In January 1944, when Srodula was liquidated, Gitel and Pearl escaped to the Sudetenland and survived by posing as Polish laborers. Rifka survived Majdanek and several labor camps. After the war, Pearl and Rifka emigrated to Palestine. Gitel married and emigrated to Canada with her husband in 1951.

Home after Fascism Anna Koch, 2023-10-03 Home after Fascism draws on a rich array of memoirs, interviews, correspondence, and archival research to tell the stories of Italian and German Jews who returned to their home countries after the Holocaust. The book reveals Jews' complex and often changing feelings toward their former homes and highlights the ways in which three distinct national contexts—East German, West German, and Italian—shaped their answers to the question, is this home? Returning Italian and German Jews renegotiated their place in national communities that had targeted them for persecution and extermination. While most Italian Jews remained deeply attached to their home country, German Jews struggled to feel at home in the country of murderers. Yet, some retained a sense of belonging through German culture and language or felt attached to a specific region or city. Still others looked to the future; socialist and communists of Jewish origin hoped to build a better Germany in the Soviet Occupied Zone. In all three postwar states, surviving Jews fought against persistent antisemitism, faced the challenge of recovering lost homes and possessions, struggled to make sense of their persecution, and tried to find ways to reclaim a sense of belonging. Wide ranging and moving, Home after Fascism

enriches our understanding of Jews' homecoming experiences after 1945. It reveals the deep affection and persistent love people feel for their homes, the suffering that comes with losing them, and the challenges of a return.

Auschwitz Sara Nomberg-Przytyk, 1985 From the moment I got to Auschwitz I was completely detached. I disconnected my heart and intellect in an act of self-defense, despair, and hopelessness. With these words Sara Nomberg-Przytyk begins this painful and compelling account of her experiences while imprisoned for two years in the infamous death camp. Writing twenty years after her liberation, she recreates the events of a dark past which, in her own words, would have driven her mad had she tried to relive it sooner. But while she records unimaginable atrocities, she also richly describes the human compassion that stubbornly survived despite the backdrop of camp depersonalization and imminent extermination. Commemorative in spirit and artistic in form, Auschwitz convincingly portrays the paradoxes of human nature in extreme circumstances. With consummate understatement Nomberg-Przytyk describes the behavior of concentration camp inmates as she relentlessly and pitilessly examines her own motives and feelings. In this world unmitigated cruelty coexisted with nobility, rapacity with self-sacrifice, indifference with selfless compassion. This book offers a chilling view of the human drama that existed in Auschwitz. From her portraits of camp personalities, an extraordinary and horrifying profile emerges of Dr. Josef Mengele, whose medical experiments resulted in the slaughter of nearly half a million Jews. Nomberg-Przytyk's job as an attendant in Mengele's hospital allowed her to observe this Angel of Death firsthand and to provide us with the most complete description to date of his monstrous activities. The original Polish manuscript was discovered by Eli Pfefferkorn in 1980 in the Yad Vashem Archive in Jerusalem. Not knowing the fate of the journal's author, Pfefferkorn spent two years searching and finally located Nomberg-Przytyk in Canada. Subsequent interviews revealed the history of the manuscript, the author's background, and brought the journal into perspective.

Traces of the Holocaust Tim Cole, 2011-06-30 'The universe began shrinking,' wrote Elie Wiesel of his Holocaust experiences in Hungary, 'first we were supposed to leave our towns and concentrate in the larger cities. Then the towns shrank to the ghetto, and the ghetto to a house, the house to a room, the room to a cattle car...' Adopting an innovative multi-perspectival approach framed around a wide variety of material traces - from receipts to maps, name lists to photographs - Tim Cole tells stories of journeys into and out of Hungarian ghettos. These stories of the perpetrators who oversaw ghettoization and deportation, the bystanders who witnessed and aided these journeys, and the victims who undertook them reveal the spatio-temporal dimensions of the Holocaust. But they also point to the visibility of these events within the ordinary spaces of the city, the importance of an economic assault on Jews and the marked gendering of the Holocaust in Hungary.
