The Weekend that Changed the World Peter Walker,2000-01-01 This Book answers key questions that surround Jesus' death and argues that the events of that fateful weekend in Jerusalem changed the world forever. Layer upon layer of detail draws the reader into the frightening hours leading up to Jesus' death. The volume traces the movements of all involved in his tragic execution and follows the story to the empty tomb, examining the improbability that anyone could be raised from death. Walker discusses at length the location of Jesus' burial, drawing on the evidence of the Gospels, archaeology, and church history, and focuses on the two likely sites: the Garden Tomb and the church of the Holy Sepulchre.

Walker also explores the impact of Jesus' resurrection on Christians then and now, noting how the message of the Garden Tomb has been a source of inspiration to millions of people from all over the World: He Is Not Here, For He Is Risen.
