Knotmonsters Michael Cao,2023-05-02 Dinosaur chicken nuggets were one of my favorite foods growing up! If you loved those little dino nugs as much as I did, I know you will enjoy making these cute pillow nuggies buddies! I hope these crochet patterns bring back some nostalgic feelings! Patterns included: Tyrannosaurus Rex Nugget Brontosaurus Nugget Parasaurolophus Nugget Pterodactyl Nugget Triceratops Nugget Stegosaurus Nugget Patterns make approx 25cm x 30cm using worsted weight yarn If you have never crocheted before, NO PROBLEM. Everyone has to start somewhere. In this book, we will be going step by step through ten cute little amigurumi crochet patterns. Also included are basic stitch tutorials to help you along the way. What started as something to pass the time during quarantine has turned into so much more. These toys bring me joy when I make them and even more when I give them away. I hope that my creations will bring you and your lucky loved ones hours of happiness as well. When I first started, it took me a week just to figure out how to make a ball. It took even longer to get my fingers and hands used to holding a crochet hook. Crocheting can be frustrating at first but like with all things new, your body will develop muscle memory and over time, you will find that it will get easier. Always remember that nothing is hard, only new. There is no right way or wrong way to crochet. Whatever works for you, your body, and your ability is the right way. Crochet is an art form and like all art forms, is open to personal interpretation. Crochet patterns function as guidelines only, and I encourage you to bring your own artistic flair to each pattern. Do not be afraid to use different hooks or types of yarn. Experiment by changing the colors. Add accessories, modify the body shape, and bring your own individual spice to each pattern. Sometimes it will work; most of the time, it will not, and that is perfectly fine because in the end, you will end up with something that is yours. Something that you created. Your own little knotmonster. TERM: For personal use only You are allowed to sell the finished made products as long as I am credited (ie. pattern by @knotmonster) You are not allowed to sell/give away the pattern Copyrights remain with designer
