

What Religion Was Elvis

Ted Harrison

E John Strausbaugh,1995 *Reflections on the Birth of the Elvis Faith* This hip, anthropological exploration asserts that Elvis Presley - E to his friends - is the greatest figure in contemporary popular culture and a modern pagan god whose cult following is on its way to becoming a full-fledged Church of Elvis.

Elvis Religion Gregory L. Reece,2006-05-26 Investigates the rise of the King of Rock 'n' Roll to god-like status

Practicing Religion in the Age of the Media Stewart M. Hoover,Lynn Schofield Clark,2002-03-06 Increasingly, the religious practices people engage in and the ways they talk about what is meaningful or sacred take place in the context of media culture—in the realm of the so-called secular. Focusing on this intersection of the sacred and the secular, this volume gathers together the work of media experts, religious historians, sociologists of religion, and authorities on American studies and art history. Topics range from Islam on the Internet to the quasi-religious practices of Elvis fans, from the uses of popular culture by the Salvation Army in its early years to the uses of interactive media technologies at the Simon Wiesenthal Center's Beit Hashoah Museum of Tolerance. The issues that the essays address include the public/private divide, the distinctions between the sacred and profane, and how to distinguish between the practices that may be termed religious and those that may not.

Elvis Culture Erika Doss,1999 Doss (fine arts and American studies, U. of Colorado-Boulder) examines the image of Elvis from a number of perspectives, including as a religious icon honored in household shrines, as a sexual fantasy for women and men, as an inspiration for impersonators, as a not- altogether positive emblem of whiteness for many blacks, and as a commodity to be protected by Elvis Presley Enterprises. Bandw illustrations. Annotation copyrighted by Book News, Inc., Portland, OR

The Faith of Elvis Billy Stanley,2022-10-04 Billy Stanley, Elvis Presley's stepbrother, shares the untold story of the iconic singer's Christian faith--its deep influence on his music, films, relationships, commitment to his family and fans, and his love for the Gospel. When seven-year-old Billy Stanley and his two younger brothers moved to Graceland in 1960, Elvis eagerly welcomed them, embracing his new roles as big brother, spiritual mentor, protector, and playmate. On their first night together, Elvis introduced his brothers to bedtime prayers as he thanked God for his new siblings. Soon after, he began to read the Bible with them, and he continued both practices for the next seventeen years. During Billy and his brothers'

teenage years, Elvis shared his experiences of filming movies (including stories about the leading ladies who acted beside him), offered dating advice, and even doled out gentle discipline after two of the brothers once used a blue light to pull over cars in hopes of picking up women. Billy was particularly drawn to the times he bonded with his big brother through car racing, the wind on their faces as they sped through God's creation in Elvis' Ferrari, Pantera, or pink Cadillac. Billy joined Elvis on tour for several years, helping as part of his road crew, bringing Elvis's Bible along, and witnessing his growing number of adoring fans. Elvis loved his fans in return, which is why he was drawn to Gospel music--it allowed him to share God's abundant love. In *The Faith of Elvis*, Billy gives his first-hand accounts of Elvis's life and abiding belief in Jesus and heaven, which has been kept from public view until now. Though the King of Rock and Roll struggled with addiction and with his notorious playboy image, Billy reveals that the true Elvis was deeply committed to ensuring his family and his fans knew the true King, Jesus Christ

Elvis Presley, Gospel Singer Madeleine Wilson, 2022-04-19 Elvis was known as the King of Rock and Roll, but he was also a Gospel Singer. He received three Grammy awards for his recordings, all of which were for his gospel songs. Elvis, The King, many times said publicly that there is only one King, and that is Jesus Christ. He not only acknowledged the Lord but also worshipped Him and prayed to Him, often. This book looks at Elvis' life, particularly his Christian faith and the inspiration that he has been, and still is, to so many people. There is no doubt that Elvis is an enigma, but hopefully this book clarifies a side of Elvis that is often neglected. I believe it is a 'good read' which will be a revelation to many and, I hope, a blessing to all. (Madeleine Wilson - Author) The book has a Gallery at the end of each chapter which has photos of Elvis, covering many aspects of his life.

The Seeker King Gary Tillery, 2013-09-09 A woman in the audience once handed Elvis a crown saying, "You're the King." "No, honey," Elvis replied. "There is only one king — Jesus Christ. I'm just a singer." Gary Tillery presents a coherent view of Elvis's thoughts through such anecdotes and other recorded facts. We learn, for instance, that Elvis read thousands of books on religion; that his crisis over making bimbo movies like *Girl Happy* led him to writers such as Gurdjieff, Krishnamurti, and Helena Blavatsky; and that, while driving in Arizona, an epiphany he had inspired him to learn Hindu practice. Elvis came to believe that the Christ shines in everyone and that God wanted him to use his light to uplift people. And so he did. Elvis's excesses were as legendary as his generosity, yet, despite his lethal reliance on drugs, he remained ever spiritually curious. When he died, he was reading *A Scientific Search for the Face of Jesus*. This intimate, objective portrait inspires new admiration for the flawed but exceptional man who said, "All I want is to know and experience God. I'm a searcher, that's what I'm all about."

Elvis People Ted Harrison, 1992 Was Elvis Presley the greatest man to walk the Earth since Jesus Christ? Some of his fans would say so. Will shrines erected to Elvis still be lovingly tended 200--even 2,000--years from now? This intriguing book

compares the the rise of Elvis to that of the early Christian church.

The Death and Resurrection of Elvis Presley Ted Harrison, 2016-09-15 There is no other way to put it: Elvis is the King. Note the present tense: even though Elvis (supposedly) died nearly forty years ago, he has lived on in our hearts, as a sound, as an image, and as an especially vigorous personality. In fact, it's safe to say no other celebrity has done so quite as well. The Death and Resurrection of Elvis Presley is the story of that afterlife, of Elvis after he left the building. Walking the eccentrically carpeted rooms of Graceland, bidding into stratospheric sums on his auctioned relics, and mingling among the some 200,000 impersonators of his likeness, Ted Harrison offers nothing less than the ultimate Elvis tribute. Harrison begins, of course, in pilgrimage: to Graceland. He shows how Elvis's estate was pillaged nearly to ruin by his manager but was saved through the deft business acumen and financial vision of his divorced wife, one Priscilla Presley. If Graceland seems holy, that's because it is: Harrison unveils in Elvis's allure a deeply spiritual dimension, showing how Elvis fans, over the decades, have anointed their idol with Christ-like qualities. Through Elvis's extravagance, Harrison raises fascinating links between money and faith, and through Elvis's life, he shows how the King actually fulfilled a host of roles ranging from hero to martyr to saint. Underpinning the whole story is Elvis's extraordinary charisma and—lest we forget—his astonishing musical genius. Fascinating, colorful, and deeply informative, this book is a must-have for any fan, anyone who was ever lucky enough to see Elvis alive or who hopes they might still be able to.

America, Religions, and Religion Catherine L. Albanese, 1999 Since its first publication in 1981, *AMERICA: RELIGIONS AND RELIGION* has become the standard introduction to the study of American religious traditions. Written by one of the foremost scholars in the field of American religions, this textbook has introduced thousands of students to the rich religious diversity that has always been a hallmark of the American religious experience. Beginning with native American religious traditions and following the course of America's religious history up to the present day, this text gives students the benefit of the author's extensive, influential scholarship in a clear manner that has proven to be readily accessible for today's undergraduates. This long-awaited new edition explores a variety recent events and developments, including increasing religious pluralism, the growth of postpluralism and the culture of religious combinations, recent religious change among Native Americans, renewed interest in the Kabbalah among Jews and others, present-day concerns in Catholicism and among Protestants, the Christian Right, new spirituality, religion and sexuality.

Afterlife as Afterimage Steve Jones, Joli Jensen, 2005 The mass media make it possible for fame to be enhanced and transformed posthumously. What does it mean to fans when a celebrity dies, and how can death change the way that celebrities are perceived and celebrated? How do we mourn and remember? What can different forms of communication reveal about the role of media in our lives? Through a provocative look at the lives and legacy of popular musicians from Elvis to Tupac and from Louis Prima to John Lennon, *Afterlife as Afterimage* analyzes the process of posthumous fame to give us

new insights into the consequences of mediation, and it illuminates the complex nature of fandom, community formation, and identity construction.

Jane & Michael Stern's Encyclopedia of Pop Culture Jane Stern,Michael Stern,1992 An A to Z of Who's Who and What's What, from Aerobics and Bubble Gum to Valley of the Dolls and Moon Unit Zappa.

Great Sects Adam Hume-Kelly,2005 Presenting a non-scholarly resource replete with sketches of history and beliefs, insights, trivia and unexpected details about very many of the world's largest, smallest, oldest and strangest beliefs, faiths and religions. It is a succor for the legion of intellectually curious and perhaps some of the answers to a lot of big questions-- from the religion of Elvis to the Nation of Islam, Kabbalah to Dreamtime, Druids to Opus Dei, Satanism to the Church of England, and Jedi Knights to the Church of Country Sports, together with many others.

Gods Behaving Badly Pete Ward,2011 Gods Behaving Badly examines the blurred boundary between popular culture and religion—one that has given way to an often confounding fusion of the sacred and the profane. Flipping through pages of tabloid media and looking underneath the veil of Hollywood's glamour, Pete Ward exposes how, in its consumer life, Western society elevates celebrity to the theological and, in so doing, creates a new para-religion. Inevitably, whether despised or extolled, individual celebrities evoke public moral judgment, creating fertile ground for theological innovation. --

Thank you extremely much for downloading **What Religion Was Elvis**.Most likely you have knowledge that, people have see numerous period for their favorite books taking into consideration this What Religion Was Elvis, but end taking place in harmful downloads.

Rather than enjoying a good ebook when a mug of coffee in the afternoon, instead they juggled later than some harmful virus inside their computer. **What Religion Was Elvis** is reachable in our digital library an online entrance to it is set as public hence you can download it instantly. What Religion Was Elvis Introduction

In the digital age, access to information has become easier than ever before. The ability to download What Religion Was Elvis has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a

professional seeking research papers, the option to download What Religion Was Elvis has opened up a world of possibilities. Downloading What Religion Was Elvis provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading What Religion Was Elvis has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download What

Religion Was Elvis. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading What Religion Was Elvis. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading What Religion Was Elvis, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites

to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download What Religion Was Elvis has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About What Religion Was Elvis Books

1. Where can I buy What Religion Was Elvis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
