

Wool Series Order

Hugh Howey

Dust Hugh Howey, 2020-05-19 SEASONS 1 AND 2 OF THE ACCLAIMED SILO SERIES — BASED ON BOOK 1, WOOL — NOW ON APPLE TV+ “The final book secures the status of the Wool trilogy as a modern masterpiece.”—Sunday Express Now available in a stunning hardcover Deluxe Collector’s Edition, Dust, the final book in the New York Times bestselling Silo trilogy, features fully illustrated endpapers, sprayed edges, and a poster on the inside of the jacket . Plus an original short story from Hugh Howey set in the Silo universe! Wool introduced the world of the silo. Shift told the story of its creation. Dust will describe its downfall. In order for a new world to begin, the old one must fall Juliette, now mayor of Silo 18, doesn’t trust Silo 1, especially its leader, Donald. But in the world of the Silos, there is no black and white—everything is shades of gray. Donald may not be the monster Juliette thinks he is, and may in fact be key to humanity’s continued survival. But can they work together long enough to succeed? In Dust, the final book in the New York Times best-selling Silo trilogy, the choices that Juliette and Donald make could lead to salvation . . . or to the death of everyone on the planet. “The success of Howey’s Wool trilogy was no fluke. This is a superior sci-fi thriller, both slick and gritty.”—Financial Times

Second Shift - Order Hugh Howey, 2012-11-20 This is the second part of the SHIFT trilogy. Please be aware that the three books will be combined and released as a single work in the Spring of 2013. You can save some money if you wait until then. SHIFT follows the New York Times bestselling WOOL series. The third and final act will be released in 2013.

Third Shift - Pact (Part 8 of the Silo Series) Hugh Howey, 2013-01-28 The third and final chapter of the Shift saga. This is part 8 of the Silo Series, which began with Wool. All three Shift books will be collected in an Omnibus edition. Reading Order: 1. WOOL (5 parts) 2. SHIFT (3 parts) 3. DUST (TBD)

Dust Hugh Howey, 2023-04-13 The much-anticipated final instalment of the Wool trilogy. In the aftermath of the uprising, the people of Silo 18 are coming to terms with a new order. Some embrace the change, others fear the unknown; none have control of their fate. The Silo is still in danger. There are those set on its destruction. Jules knows they must be stopped. The battle has been won. The war is just beginning. _____ 'The next Hunger Games' The Sunday Times 'Thrilling, thought-provoking and memorable ... one of dystopian fiction's masterpieces alongside the likes of 1984 and Brave New World.'
