**International Genealogy and Local History** Ruth Hedegaard,Elizabeth Anne Melrose,2008 This book contains the papers delivered at sessions organised by the Genealogy and Local History Section at the annual conferences of the International Federation of Library Associations and Institutions (IFLA) between 2001 and 2005; many of these are updated versions of the original presentations. A wide range of significant issues and trends in historical and family research is covered. The authors, all experts in their own fields, address those engaged in delivering genealogy and local history services in libraries, archives and museums across the world. Moreover, they focus on the growing army of enthusiasts directly engaged in tracing their own ancestral and local history. Several papers give useful hints on how various resources can be used to further personal research. These include the exciting opportunities offered by the digitisation of primary resources and by the impact of the powerful new technology, among other things now on offer through DNA profiling.

La Extremadura cristiana (1142-1350) Juan Luis de la Montaña Conchiña,2003 El libro, resultado de una concienzuda investigación y sistemática búsqueda de fuentes documentales, responde a la necesidad de articular una visión global de realidades parcialmente analizadas que no podían ser abordadas individualmente. Consituye una aportación significativa que ofrece una visión de la sociedad feudal hispanocristiana en territorios meridionales nacida de un proceso de asentamiento poblacional arduo y de resultados desiguales. Comenzando por una descripción del estado en que se encontraba la Extremadura musulmana poco antes de su reconquista, se inicia este trabajo que contiene el proceso repoblador estudiado desde diversas facetas : geografía, red viaria, sistemas urbanos, poblamiento rural, economía agropecuaria, recursos naturales, artesanía y comercio, estructuras de poder, territorios señoriales, realengos y de ordenes militares, concejos, encomiendas, iglesia y diócesis, jerarquización de la sociedad extremeña...etc.
