The Reparative Impulse of Queer Young Adult Literature Angel Daniel Matos,2024-10-01 The Reparative Impulse of Queer Young Adult Literature is a provocative meditation on emotion, mood, history, and futurism in the critique of queer texts created for younger audiences. Given critical demands to distance queer youth culture from narratives of violence, sadness, and hurt that have haunted the queer imagination, this volume considers how post-2000s YA literature and media negotiate their hopeful purview with a broader—and ongoing—history of queer oppression and violence. It not only considers the tactics that authors use in bridging a supposedly “bad” queer past with a “better” queer present, but also offers strategies on how readers can approach YA reparatively given the field’s attachments to normative, capitalist, and neoliberal frameworks. Central to Matos’ argument are the use of historical hurt to spark healing and transformation, the implementation of disruptive imagery and narrative structures to challenge normative understandings of time and feeling, and the impact of intersectional thinking in reparative readings of queer youth texts. The Reparative Impulse of Queer Young Adult Literature shows how YA cultural productions are akin to the broader queer imagination in their ability to move and affect audiences, and how these texts encapsulate a significant and enduring change in terms of how queerness is—or can be—read, structured, represented, and felt. Atravesados Trevor Boffone,Cristina Herrera,2025-02-17 Contributions by Frederick Luis Aldama, Trevor Boffone, T. Jackie Cuevas, Cristina Herrera, Alexander Lalama, Angel Daniel Matos, Regina Marie Mills, Joseph Isaac Miranda, Jesus Montaña, Domino Renee Pérez, Regan Postma-Montaña, Cristina Rhodes, and Sonia Alejandra Rodríguez Atravesados: Essays on Queer Latinx Young Adult Literature shows how Latinx queer YA writers discard the “same old story,” and offer critical representations of queerness that broaden YA writing and insist on the presence of queer teens of color. Atravesados

draws on foundational Chicana queer theorist Gloria Anzaldúa's notion of "atravesados" to speak to the spectrum of queer youth Latinidades as they materialize in YA literature. Los atravessados, according to Anzaldúa, are "the squint-eyed, the perverse, the queer, the troublesome, the mongrel, the mulato, the half-breed, the half dead; in short, those who cross over, pass over, or through the confines of the 'normal.'" Los atravessados reside in the borderlands space of ni de aquí ni de allá, neither here nor there, present yet liminal, their queerness the very source of both frustration and empowerment, a paradox of joy and tragedy. Although written in 1987, Anzaldúa's theory speaks to the realities of queer Latinx teens that fill the pages of YA literature well into the twenty-first century. Characters such as Juliet from Gabby Rivera's Juliet Takes a Breath, Aaron from Adam Silvera's More Happy Than Not, or the titular Chulito from Charles Rice-Gonzales's novel encompass the highs, lows, and everything in-betweenness of queer Latinx teen lived experiences. This collection tells their stories. Contributors speak to the spectrum of queer youth Latinidades as they materialize in YA literature, paying close attention to representation and the ways youth are portrayed—whether accurate or stereotypical. Close attention is paid to books that succeed in broadening the field of YA, highlighting authors that draw from their own lived experiences and situate strong, fully developed characters. Taken together, these essays move beyond the page, explaining to readers why representation and authenticity matter in YA literature, as well as the far-reaching effects they can have for real world queer Latinx teens.

Ali Jinna, 2025-07-15 Rainbow Advertising and Media Business: A Handbook on LGBTQIA++ Going back to the history of the LGBTQIA+ community, which

was formerly called 'the gay community' and then 'the gay and lesbian community', it has evolved over the years. There is a struggle in every possible way, whether it is for rights, acceptance, anti-violence, identity crisis, etc. The family of minorities has expanded their boundaries that include not only Lesbians and Gays but also Bisexuals, Transexuals, Queers, Intersex, Asexual, and more. The social and behavioural changes toward the acceptance of the LGBTQIA+ community were observed long before they reached marketers and advertisers. The gradual shift of the market from the "gay market" to the "LGBT market" shows a sign of acceptance towards non-heterosexual consumers. There are a number of studies done on the LGBTQIA+ communities in various aspects; however, studying the advertisement and business perspective is imperative to explore, as a large chunk of consumers belong to the LGBTQIA+ communities. The book "Rainbow Advertising and Media Business: A Handbook on LGBTQIA++" offers a collection of concepts and perspectives on areas like the LGBTQIA+ community, Pink money, Queer consumers, Capitalist economy, Pink Economy, Gender Representation, Gender and fashion, Pinkwashing, Inclusion, Social landscape of LGBTQIA+ Communities, Political landscape of LGBTQIA+ Communities, Economic landscape of LGBTQIA+ Communities, Entrepreneurial Venture of Transgenders, Lesbian visibility in Indian advertisements, 00000000 0000000000 0000000000 000000, Stuart Hall's Theory of Representation, Social Media and LGBTQIA+ advocacy, Rainbow Responsibility, LGBTQIA+ Rights, Queering, Representation in cinema, LGBTQ+ in Hindi Cinema, Third gender representation, Inclusivity, Evolution of LGBTQIA+, Marginalization, Mythical Validation, Trauma and Identity, Underrepresentation, Queer Love in A Censored World, Homoeroticism, Gender and War, Queer Narratives, Women in the Mass Media, Empowerment, Embracing Queerness, Redefining Equality, Performativity, Indian Feminism and many more. Collectively, the chapters would help in understanding the different perspectives of films through the lens of the LGBTQIA+ community.

Affect, Emotion, and Children's Literature Kristine Moruzi, Michelle Smith, Elizabeth Bullen, 2017-09-01 This volume explores the relationship between representation, affect, and emotion in texts for children and young adults. It demonstrates how texts for young people function as tools for emotional socialisation, enculturation, and political persuasion. The collection provides an introduction to this emerging field and engages with the representation of emotions, ranging from shame, grief, and anguish to compassion and happiness, as psychological and embodied states and cultural constructs with ideological significance. It also explores the role of narrative empathy in relation to emotional socialisation and to the ethics of representation in relation to politics, social justice, and identity categories including gender, ethnicity, disability, and sexuality. Addressing a range of genres, including advice literature, novels, picture books, and film, this collection examines contemporary, historical, and canonical children's and young adult literature to highlight the variety of approaches to emotion and affect in these texts and to consider the ways in which these approaches offer new perspectives on these texts. The individual chapters apply a variety of theoretical approaches and perspectives, including cognitive poetics, narratology, and poststructuralism, to the analysis of affect and emotion in children's and young adult literature.

He Forgot to Say Goodbye Benjamin Alire Sáenz,2008-06-17 I mean, it's not as if I want a father. I have a father. It's just that I don't know who he is or where he is. But I have one. Ramiro Lopez and Jake Upthegrove don't appear to have much in common. Ram lives in the Mexican-American working-class barrio of El Paso called Dizzy Land. His brother is sinking into a world of drugs, wreaking havoc in their household. Jake is a rich West Side white boy who has developed a problem managing his anger. An only child, he is a misfit in his mother's shallow and materialistic world. But Ram and Jake do have one thing in common: They are lost boys who have never met their fathers. This sad fact has left both of them undeniably scarred and obsessed with the men who abandoned them. As Jake and Ram overcome their suspicions of each other, they begin to move away from their loner existences and realize that they are capable of reaching out beyond their wounds and the neighborhoods that they grew up in. Their friendship becomes a healing in a world of hurt. San Antonio Express-News wrote, Benjamin Alire Sáenz exquisitely captures the mood and voice of a community, a culture, and a generation; that is proven again in this beautifully crafted novel.
