The 8th Habit Stephen R. Covey, 2013-01-08 In the 7 Habits series, international bestselling author Stephen R. Covey showed us how to become as effective as it is possible to be. In his long-awaited new book, *THE 8th HABIT*, he opens up an entirely new dimension of human potential, and shows us how to achieve greatness in any position and any venue. All of us, Covey says, have within us the means for greatness. To tap into it is a matter of finding the right balance of four human attributes: talent, need, conscience and passion. At the nexus of these four attributes is what Covey calls voice - the unique, personal significance we each possess. Covey exhorts us all to move beyond effectiveness into the realm of greatness - and he shows us how to do so, by engaging our strengths and locating our powerful, individual voices. Why do we need this new habit? Because we have entered a new era in human history. The world is a profoundly different place than when *THE 7 HABITS OF HIGHLY EFFECTIVE PEOPLE* was originally published in 1989. The challenges and complexity we face today are of a different order of magnitude. We enjoy far greater autonomy in all areas of our lives, and along with this freedom comes the expectation that we will manage ourselves, instead of being managed by others. At the same time, we struggle to feel engaged, fulfilled and passionate. Tapping into the higher reaches of human genius and motivation to find our voice requires a new mindset, a new skill-set, a new tool-set - in short, a whole new habit.

Covey, 2015-11-24 "With his trademark clarity, Covey emphasizes the importance of integrity and intrinsic rewards. *Primary Greatness* is an ideal book for anyone looking for guidance in how to live a truly successful, worthwhile life of service."—Daniel H. Pink, New York Times bestselling author of *Drive: The Surprising Truth*

About What Motivates Us and When: The Scientific Secrets of Perfect Timing For fans of Principles, Grit, and The Power of Habit, Primary Greatness outlines the twelve levers of success—a set of principles for achieving a happy and fulfilling life. Many of us are hurting. We have chronic problems, dissatisfactions, and disappointments. We feel overwhelmed by burdens we carry. The idea of living a “great life” can seem like a distant dream. Stephen R. Covey—the late, legendary author of The 7 Habits of Highly Effective People—believed there were only two ways to experience life: primary greatness or secondary greatness. Through his books and speaking, he taught that the intrinsic rewards of primary greatness—integrity, responsibility, and contribution—far outweighed the extrinsic rewards of secondary greatness: money, popularity, and the self-absorbed, pleasure-ridden life that some people consider “success.” In this posthumous work, Covey lays out clearly the 12 levers of success that will lead to a life of primary greatness: Integrity, Contribution, Priority, Sacrifice, Service, Responsibility, Loyalty, Reciprocity, Diversity, Learning, Teaching, and Renewal. For the first time, Covey defines each of these 12 qualities and how they can be leveraged in your daily life to lead you to both professional success and personal happiness. Featuring his trademarked wisdom that has inspired countless readers and leaders, Primary Greatness once again delivers classic Covey advice in a concise and reader-friendly way. .
