**Tubular Therapy** Denise DeHaven Rogers,Debbie Strater Sempsrott,2014-06-26 Tubular Therapy is the story of one answered prayer, an unlikely friendship, and the surprising ministry of two zany women. This story of friendship is one crazy ride down the lazy river of life. These two women write of their lives of adventure, ups and downs, hilarity, and heartbreak that might just make you shake your head in disbelief. They dare to talk about what many keep safely hidden deep inside. Their story is not perfect; it is unpretentious and filled with promise. They celebrate the journey with joy because of their faith, friendship, and freedom. These barefoot authors are committed to floating through life Tubular Therapy style. We float awhile and talk awhile we laugh awhile and cry awhile. We will all experience Gods healing touch. As iron sharpens iron, we will face our fears together, and when we get our tushies out of the tube, we will all go home better than we came!

It is important that the world and all of the nations of the earth come to know of His greatness, His purpose and His message. This book will take you on a journey that will define his message and purpose, and what it was like to be the Biological Children of Yahweh Ben Yahweh. This Book will make you laugh, it will make you cry, it will make you think like never before, causing all men both small and great to study like never before!
