Brown. From its inception in California in 1974 to its Broadway revival in 2022, the Obie Award-winning for colored girls who have considered suicide/when the rainbow is enuf has excited, inspired, and transformed audiences all over the country for nearly fifty years. Passionate and fearless, Shange's words reveal what it meant to be a woman of color in the 20th century. First published in 1975, when it was praised by The New Yorker for "encompassing...every feeling and experience a woman has ever had," for colored girls who have considered suicide/when the rainbow is enuf will be read and performed for generations to come. Now with new introductions by Jesmyn Ward and Broadway director Camille A. Brown, and one poem not included in the original, here is the complete text of a groundbreaking dramatic prose poem that resonates with unusual beauty in its fierce message to the world.

For Colored Girls Who Have Considered Politics Donna Brazile, Yolanda Caraway, Leah Daughtry, Minyon Moore, Veronica Chambers, 2018-10-02 "For Colored Girls Who Have Considered Politics. It's a wonderful, necessary book." -

Hillary Clinton The four most powerful African American women in politics share the story of their friendship and how it has changed politics in America. The lives of black women in American politics are remarkably absent from the shelves of bookstores and libraries. For *Colored Girls Who Have Considered Politics* is a sweeping view of American history from the vantage points of four women who have lived and worked behind the scenes in politics for over thirty years—Donna Brazile, Yolanda Caraway, Leah Daughtry, and Minyon Moore—a group of women who call themselves The Colored Girls. Like many people who have spent their careers in public service, they view their lives in four-year waves where presidential campaigns and elections have been common threads. For most of the Colored Girls, their story starts with Jesse Jackson’s first campaign for president. From there, they went on to work on the presidential campaigns of Walter Mondale, Michael Dukakis, Bill Clinton, Al Gore, Barack Obama and Hillary Rodham Clinton. Over the years, they’ve filled many roles: in the corporate world, on campaigns, in unions, in churches, in their own businesses and in the White House. Through all of this, they’ve worked with those who have shaped our country’s history—US Presidents such as Bill Clinton and Barack Obama, well-known political figures such as Terry McAuliffe and Howard Dean, and legendary activists and historical figures such as Jesse Jackson, Coretta Scott King, and Betty Shabazz. For *Colored Girls Who Have Considered Politics* is filled with personal stories that bring to life heroic figures we all know and introduce us to some of those who’ve worked behind the scenes but are still hidden. Whatever their perch, the Colored Girls are always focused on the larger goal of “hurrying history” so that every American — regardless of race, gender or religious background — can have a seat at the table. This is their story.

For *Colored Girls Growing Like A Rose From Concrete* is the inaugural anthology edited and published by The Literary Revolutionary. In this powerful volume of poems, essays, and personal narratives, an ensemble of courageous women and girls of color -- many who are emerging leaders in their fields: revolutionary activists Chanice Lee and Anana Harris Parris, bestselling author and storyteller Denise Nicholson, licensed therapist and grief specialist Denesha Chambers, educator and mommy-influencer Angelique Niare among them -- confront topics including love and loss, race and politics, motherhood and divorce, abuse and healing, mental health and self care, as they share their own experiences in writing. Their words vibrate with authenticity, purpose, and wisdom today, and for years to come.

For Colored Girls Who Never Considered Self-Love When Female Fortitude Is Enuf Wande Kotun, 2018-03-05 An ode to the original choreoplay, For *Colored Girls Who Have Considered Suicide/When the Rainbow is Enuf*, this coloring book is a new spin on a familiar title. This coloring book celebrates the rainbow that represents women of color in our many shades, shapes and sizes. Each page consists of illustrations of real women, accompanied by inspirational quotes by wise

women of color, past and present. The hope is that in taking time to be mindful, women of color will embrace the timeless authenticity that can only be found in our blackness, our brownness, our thickness, our thinness, our femininity, our voice, our sexuality, our strength, our wisdom, and our fortitude.

Sunflower Soul for Colored Girls Briana Williamson,Matnique Williamson,2023-05-04 For colored girls ...may the rainbow forever be enuf. A colored girl, by my definition, is a girl of many colors. But she can only see her overall beauty if she can see all the colors of herself. To do that, she has to look deep inside her. And when she looks inside herself, she will find... love and beauty. ?
