The Room Hubert Selby, 2011-12-13 "A terrifying journey into the darkest corners of the psyche" by the author of *Requiem for a Dream* and *Last Exit to Brooklyn* (The Guardian). A small-time criminal sits alone in his cell, his mind reeling with sadistic thoughts of retribution against the police and, eventually, all those he believes have failed him throughout his life. A deeply disturbing exploration of a character the Guardian described as "a genuinely frightening American Psycho," Hubert Selby Jr.'s second novel is made all the more chilling by the narrator's brief flashes of humanity. *The Room* is a tale so terrifying the author himself couldn't read it for decades after writing it. Called "brutal" by the New York Times when it was first published, it is a dark masterpiece about a man who may be temporarily trapped in jail, but whose true prison is his own anger, as he is enslaved by out-of-control passions and sickening fantasies of revenge. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

**The Demon** Hubert Selby, 2011-12-13 *The Demon* a womanizer's struggle for self-control spirals into crime, madness, and murder. Harry White grew up in blue-collar Brooklyn, but the young man's charm, smarts, and good looks have helped him earn a place as an uptown junior executive. White's gifts have also made his love life easy, and he takes special pleasure in seducing married women. But when "Harry the Lover" is ready to grow up and leave his womanizing behind, White finds that suppressing his libido has dangerous consequences. His attempts at restraint awaken something sinister, causing White to seek excitement in a new form of violence and depravity. Shocking and enthralling, *The Demon* is an unflinching meditation on male vanity by one of the most acclaimed and original writers of the twentieth century. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

Queering Translation, Translating the Queer Brian James Baer, Klaus Kaindl, 2017-09-22 This groundbreaking work is the first full book-length publication to critically engage in the emerging field of research on the queer aspects of translation and interpreting studies. The volume presents a variety of theoretical and disciplinary perspectives through fifteen contributions from both established and up-and-coming scholars in the field to demonstrate the interconnectedness between translation and queer aspects of sex, gender, and identity. The book begins with the editors' introduction to the state of the field, providing an overview of both current and developing lines of research, and builds on this foundation to look at this research more closely, grouped around three different sections: Queer Theorizing of Translation; Case Studies of Queer Translations and Translators; and Queer Activism and Translation. This interdisciplinary approach seeks to not only shed light on this promising field of research but also to promote cross fertilization between these disciplines towards further exploring the intersections between queer studies and translation studies, making this volume key reading for students and scholars interested in translation studies, queer studies, politics, and activism, and gender and sexuality studies.

*Requiem for a Dream* Hubert Selby, 2011-12-13 A tale of four people trapped by their addictions, the basis for the acclaimed Darren Aronofsky film, by the author of *Last Exit to Brooklyn*. Sara Goldfarb is devastated by the death of her husband. She spends her days watching game shows and obsessing over appearing on television as a contestant—and her prescription diet pills only accelerate her mania. Her son, Harry, is living in the streets with his friend Tyrone and girlfriend Marion, where they spend their days selling drugs and dreaming of escape. When their heroin supply dries up, all three descend into an abyss of dependence and despair, their lives, like Sara's, doomed by the destructive power of drugs. Tragic and captivating, *Requiem for a Dream* is one of Selby's most powerful works, and an indelible portrait of the ravages of addiction. This ebook features an illustrated biography of Hubert Selby Jr. including rare photos from the author's estate.

*The Grove Press Reader, 1951-2001* S. E. Gontarski, 2001 The Grove Press Reader commemorates a spirit of independent publishing that has flourished for fifty years.--BOOK JACKET.

*Understanding Hubert Selby, Jr* James Richard Giles, 1998 Since the publication in 1964 of his novel *Last Exit to Brooklyn*, which arguably achieved the status of a cult classic, Hubert Selby, Jr., has held a place as one of the foremost exponents of American underground literature. His work has yet to receive extensive critical attention, in part because of its deliberately shocking subject matter and its resistance to precise classification. In *Understanding Hubert Selby, Jr.*, James R. Giles examines the writer's four novels and one collection of short stories to make the case that the full complexity of his fiction has not previously been understood. Giles contends that Selby's writings, which are usually labelled as either naturalistic or surrealistic, represent an innovative merger of both narrative modes.

*The Room* Hubert Selby, 1988

*The Room* Hubert Selby (Jr.), 1971 Secluded in his remand cell, a small-time criminal surrenders himself to sadistic fantasies of hatred and revenge. Selby's second novel is a claustrophobic descent into the tormented soul of a man trapped in a loveless society.

**Scab Vendor** Jonathan Shaw, 2017-03-21 Jonathan Shaw's *Scab Vendor: Confessions of a Tattoo Artist* is a surreal, multi-generational roller coaster ride through the underbelly of modern culture, charting the course of a life measured by extremes, and all the people, places, and events that shaped that life into a survivor's tale of epic proportions. In its pages, Shaw takes the reader deep, not only into the recesses of his extraordinary mind and adventures, but also into the strange and magical process of memoir-writing itself. If truth is indeed stranger than fiction, then, as Shaw's friend and literary mentor Charles Bukowski once told him, much of this book would have to be lived before it could be written. In that sense, *Scab Vendor: Confessions of a Tattoo Artist* is much more than a fascinating chronicle of a popular outlaw artist's creative evolution. It is a multicolored, cinematic, modern-day *Odyssey*, written in blood, ink, and tears—a kaleidoscopic, visionary roadmap to the journey of the human soul.

**So Real It Hurts** Lydia Lunch, 2019-07-09 *So Real It Hurts* is the perfect title for this collection. It's a mission statement. A few bleeding slices straight from the butcher shop. A sampler from an enormous archive of work that will, no doubt, be

pored over by grad students, book lovers, film historians, music nerds and straight-up perverts a hundred years from now. —Anthony Bourdain, from the Introduction Through personal essays and interviews, punk musician and cultural icon Lydia Lunch claws and rakes at the reader's conscience in this powerful, uninhibited feminist collection. Oscillating between provocative celebrations of her own defiant nature and nearly-tender ruminations on the debilitating effects of poverty, abuse, and environmental pollution, along with a visceral revenge fantasy against misogynistic men, Lydia Lunch presents her exploits without apology, daring the reader to judge her while she details the traumas and trials that have shaped her into the legendary figure she's become. Inserted between these biting personal essays, Lunch thoughtful cultural insights convey a widely-shared desire to forestall inevitable cultural amnesia and solidify a legacy for her predecessors and peers. Her interview with Hubert Selby Jr. and profile of Herbert Hunke, her short unromanticized histories of No Wave and of the late Sixties, and her scathing examination of the monetization of counterculture (thanks, Vivienne Westwood!) all serve to reinforce the notion that, while it may appear that there are no more heroes, we are actually just looking for heroes in the wrong places. The worthy idols of the past have been obscured by more profitable historical narratives, but Lunch challenges us to dig deeper. So *Real It Hurts* pulls the reader into a world that is entirely hers — one in which she exacts vengeance against predators with an enviable ease and exerts an almost-sexual dominance over authority, never permitting those with power to hold on to it too tightly.

*Rudolph Wurlitzer, American Novelist and Screenwriter* David Seed, 1991 This study gives a novel-by-novel analysis of Rudolph Wurlitzer's works, relating his fiction to the writings of the Beats, Beckett, and other influences. Each of his novels centres around a literal or metaphorical West where the cultural bearings of the protagonists are brought under pressure, returning again and again to issues of cultural breakdown and isolation. A separate chapter is devoted to his work for the cinema and the strong continuity between his road movies and his fiction. This is the first critical study of Wurlitzer's work and has been prepared with the help of the novelist himself.

The Dramaturgy of Style Michael Gregory Stephens, 1986 One of America's best young writers presents a critical appreciation of voice in short fiction, using drama and poetry to frame his discussion. Discussing contemporary voice in American fiction, Stephens says: There is a cadence which the writer steals from the actual, shaping this rhythm into the voice of fiction. When tension enters into the equation of speech and voice, dramaturgical moments occur. Actors transform words into living moments. So do writers. Stephens draws on world literature to illustrate his concept of voice. He discusses early influences such as Beckett, Kafka, Borges, and Babel. He focuses on Paul Blackburn, Joel Oppenheimer, Gilbert Sorrentino, Hubert Selby, Jr., Vietnam war fiction writers (Larry Heinemann, Gustav Hasford, Stephen Wright, W. D. Ehrhart, Robert Auletta, among others), Theresa Hak Kyung Cha, Stephen Dixon, Harold Pinter, Sam Shepard, David Mamet, and a host of others.
