We Can Do Hard Things Glennon Doyle, Abby Wambach, Amanda Doyle, 2025-05-06 The #1 New York Times bestselling authors and award-winning podcasters Glennon Doyle, Abby Wambach, and Amanda Doyle created *We Can Do Hard Things*—the guidebook for being alive—to help fellow travelers find their way through life. When you travel through a new country, you need a guidebook. When you travel through love, heartbreak, joy, parenting, friendship, uncertainty, aging, grief, new beginnings—life—you need a guidebook, too. *We Can Do Hard Things* is the guidebook for being alive. Every day, Glennon Doyle spirals around the same questions: Why am I like this? How do I figure out what I want? How do I know what to do? Why can't I be happy? Am I doing this right? The harder life gets, the less likely she is to remember the answers she's spent her life learning. She wonders: I'm almost fifty years old. I've overcome a hell of a lot. Why do I wake up every day having forgotten everything I know? Glennon's compasses are her sister, Amanda, and her wife, Abby. Recently, in the span of a single year, Glennon was diagnosed with anorexia, Amanda was diagnosed with breast cancer, and Abby's beloved brother died. For the first time, they were all lost at the same time. So they turned toward the only thing that's ever helped them find their way: deep, honest conversations with other brave, kind, wise people. They asked each other, their dearest friends, and 118 of the world's most brilliant wayfinders: As you've traveled these roads—marriage, parenting, work, recovery, heartbreak, aging, new beginnings—have you collected any wisdom that might help us find our way? As Glennon, Abby, and Amanda wrote down every life-saving answer, they discovered two things: 1. No matter what road we are walking down, someone else has traveled the same terrain. 2. The wisdom of our fellow travelers will light our way. They put all of that wisdom in one place: *We Can Do Hard Things*—a place to turn when you feel clueless and alone, when you need clarity in the chaos, or when you want wise company on the path of life. We are all life travelers. We don't have to travel alone. *We Can Do Hard Things* is our guidebook. Featuring wisdom from: ALOK • Sara Bareilles • Dr. Yaba Blay • Kate Bowler • adrienne maree brown • Brandi Carlile • Brittney Cooper • Brittany Packnett Cunningham • Kaitlin Curtice • Megan Falley • Jane Fonda • Stephanie Foo • Ashley C. Fourteen Days To Light, Hope, and Healing Alicia Banta,2018-11-08 You know what they say about change: Nothing is ever going to change until something changes. We are all looking for the change that makes us a little better. That change starts on the inside, in our hearts and in our minds. Fourteen Days to Light, Hope, and Healing is the tool that you need to begin making those changes possible. Most successful people who discover light, hope, and healing in their lives follow similar patterns, many without realizing it. With years of study and personal experiences, Alicia has discovered what many of these proven patterns are. The Fourteen-day course is comprised of fourteen principles and steps to get you thinking and feeling in a different way. It is designed to help you overcome the things that are holding you back from seeing real changes in your life. God wants us to be happy, healthy, and successful in all we do. When we use his power to change on the inside, we will be sure to see change take place on the outside. People who have Godly success know how to choose happiness; they recognize the battle between trust and control and understand how to give power to trust. People who have Godly success know how to truly pray and feel grateful in all aspects of their lives. People who have Godly success are able tap into the power of their minds and understand that they are valuable and worthy to receive God's choicest blessings. You are a child of God. It is time for you to start experiencing the change and success that you have been longing for. It is time for you to set your feet in the direction of your goals and dreams that have seemed so far out of reach. Begin our journey today with these proven patterns!

Untamed: Reese's Book Club Glennon Doyle, 2020-03-10 #1 NEW YORK TIMES BESTSELLER • OVER THREE MILLION COPIES SOLD! "Packed with incredible insight about what it means to be a woman today."—Reese Witherspoon (Reese's Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and "patron saint of female empowerment" (People) explores the joy and peace we discover when we stop striving to meet others' expectations and start trusting the voice deep within us. "Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal."—Elizabeth Gilbert, author of *City of Girls* and *Eat Pray Love* A BEST BOOK OF THE YEAR: Oprah Daily, The Washington Post, Cosmopolitan, Marie Claire, Bloomberg, Parade This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn't it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference, she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world's expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, *Untamed* is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member's ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. *Untamed* shows us

how to be brave. As Glennon insists: The braver we are, the luckier we get.
