The Help Kathryn Stockett, 2011-04-05 The #1 New York Times bestselling novel and basis for the Academy Award-winning film—a timeless and universal story about the lines we abide by, and the ones we don’t—nominated as one of America’s best-loved novels by PBS’s The Great American Read. Aibileen is a black maid in 1962 Jackson, Mississippi, who’s always taken orders quietly, but lately she’s unable to hold her bitterness back. Her friend Minny has never held her tongue but now must somehow keep secrets about her employer that leave her speechless. White socialite Skeeter just graduated college. She’s full of ambition, but without a husband, she’s considered a failure. Together, these seemingly different women join together to write a tell-all book about work as a black maid in the South, that could forever alter their destinies and the life of a small town...

The Help Kathryn Stockett, Limited and persecuted by racial divides in 1962 Jackson, Mississippi, three women, including an African-American maid, her sassy and chronically unemployed friend, and a recently graduated white woman, team up for a clandestine project.

A Place at the Table Susan Rebecca White, 2014-03-04 The lives of an ostracized gay Southern boy, a wealthy Connecticut woman, and an African-American chef converge in a chic Manhattan café, in a tale ranging from 1920s North Carolina to the AIDS epidemic of the 1980s and the present day.

The Tougaloo Nine M. J. O'Brien, 2025-11-17 During a dramatic three-day period in March 1961, nine students from historically Black Tougaloo College staged sit-ins at the all-White Main Library in Jackson, Mississippi. The students conducted their protest and were arrested, held in jail overnight, and convicted of “breach of peace”—the first time that

charge had ever been brought in a Mississippi courtroom. Meanwhile, students at Jackson State College held sympathy protests, and the police responded harshly on both day one and day two. On day three, police attacked a peaceful crowd of observers awaiting the trial's outcome, using attack dogs, billy clubs, and tear gas to disperse the crowd, one of the first known uses of police dogs on a peaceful gathering during the civil rights era. The protests occurred while Mississippi was preparing to celebrate the one hundredth anniversary of the state's secession from the Union and the commencement of the Civil War. The library sit-in preempted the state's Confederate extravaganza that brought more than thirty thousand mostly White observers into the streets of Jackson while the students sat in jail, further inflaming passions on both sides. In *The Tougaloo Nine*, M. J. O'Brien delves into Tougaloo College's culture of resistance, Mississippi's determination to preserve segregation, and the early stirrings of the student movement in Jackson. Through numerous interviews and years of detailed research, O'Brien tells the stories of these courageous African American students. He also explores the personalities leading the charge on both sides, including Mississippi NAACP leader Medgar Evers; Tougaloo professors and administrators Ernst Borinski, Reverend John Mangram, and President A. D. Beittel in one camp; and Governor Ross Barnett, Citizens' Council leader William Simmons, and Jackson Mayor Allen Thompson in the other. Altogether, *The Tougaloo Nine* presents the stunning picture of those who risked their lives and future livelihoods to fight for full social and political equality in Mississippi, USA.

How to be an Author Ashton Cartwright, 36 real authors give us an in depth look at their successes, their mistakes, and their careers as writers. There is nothing in the world as incredible as creating something, and getting to hear about other people enjoying it. You know that you've made a change in someone's life, even if it's only in a small way. It's one of the best

feelings in the world. Everyone who becomes a professional author does so for different reasons. They each face different obstacles, have different goals, and choose different paths. The more authors that a new writer gets the opportunity to learn from, the greater the chance that they'll find someone they resonate with, and that they'll discover something that can help them in their own career. Some of the authors in this book are self-published; others are traditionally published. Some have worked with agents, and others have chosen to represent themselves. Some authors in this book generate hundreds of thousands of dollars in royalties, while others have just finished their very first novel. Some exclusively write fiction, some non-fiction, and some write a bit of both. Some of them write just for the joy of writing, others for the money, and still others because they have a story that NEEDS to be told. If you take your writing seriously, and are keen to be the best author that you can be, then *How to be an Author: 36 Real Authors Talk Writing and Publishing* is the book for you.

Niceville Kathryn Stockett, 2015-04-01 När societetsflickan Skeeter återvänder till hemstaden Jackson i Mississippi efter avslutade universitetsstudier, faller hon tillbaka i sitt gamla liv med bridgespel, tennis och välgörenhetsbaler. Men något hos henne har förändrats; hon vill mer och ser nu annorlunda på tillvaron. Hon drömmer om att bli författare och får så småningom ett jobb på lokaltidningen. Genom sitt arbete får hon kontakt med den svarta hemhjälpn Aibileen, som har

förlorat sin ende son men uppfostrat och älskat sjutton vita barn. Deras möte blir början på en udda och också farlig vänskap. Tillsammans med en annan svart hemhjälp - den egensinniga och smarta Minny - bestämmer sig Skeeter och Aibileen för att skriva en bok som skildrar verkligheten i staden som de kallar Niceville. De skriver om hur de svarta har förnedrats och diskriminerats. Men också om deras drömmar, längtan och hopp. Arbetet med boken kommer att förändra deras liv för all framtid. Niceville är en läsupplevelse utöver det vanliga - en blivande klassiker om kvinnlig vänskap, mod och kärlekens kraft.

The Calamity Club Kathryn Stockett, 2026-04-09 It's been over a year since Meg's beloved mother failed to come home one Christmas eve. Since then the eleven-year-old has been one of the unadoptable 'big' girls at The Orphan in Oxford Mississippi. There, in the face of the inexplicable disdain of Miss Faye who runs the orphanage, she fights each day to keep her wits sharp and her spirit unbowed. When she meets Birdie, who has come to Oxford from the Mississippi Delta, on a quest to remind her socialite sister of the struggling family she conveniently left behind, for the first time in a long while it seems someone else might care about Meg's future. But Birdie has troubles of her own. As the Depression tightens its grip, it's clear that her frivolous sister may have built her dreams on unsteady foundations. With her banker husband worryingly absent, she drifts around his once-grand family home as her imperious mother-in-law clings to a fantasy of bygone days. When Birdie meets Charlie, a woman with nothing left to lose, their fates - and Meg's - converge with those of a band of disreputable, determined women as they form an audacious plan to take back control of their lives. But in a place and time where hypocrisy is rife, where women's freedom is fragile and where making an enemy can have calamitous consequences, will the price they pay for their outrageous risk-taking be too high? Bold, heartwarming and bracingly funny, *The Calamity Club* is an unputdownable story about the many ways female agency can be thwarted, and of those determined to take it back, no matter the cost
