**Carolyn Hays**

*Letter to My Transgender Daughter* Carolyn Hays, 2023-10-31 A parent's love letter to a daughter who has always known exactly who she is. One ordinary day, a caseworker from the Department of Children and Families knocked on the Hays family's door to investigate an anonymous complaint about the upbringing of their transgender child. It was this knock, this threat, that began the family's journey out of the Bible Belt but never far from the hate and fear resting at the nation's core. Self-aware and intimate, *Letter to My Transgender Daughter* asks us all to love better, not just for the sake of Hays's child but for children everywhere enduring injustice and prejudice just as they begin to understand themselves. *Letter to My Transgender Daughter* is a call to action, an ode to community, a plea for empathy, a hope for a better future. *Letter to My Transgender Daughter* is a love letter to a child who has always known exactly who she is--and who is waiting for the rest of the world to catch up.

*A Girlhood* Carolyn Hays, 2022-12-13 When Carolyn Hays's child made clear to the family that they were all wrong, he was not a boy, but, in fact, a girl, the Hays shifted pronouns, adopted a nickname and encouraged her to dress as she felt comfortable. One ordinary day, a caseworker from the Department of Children and Families knocked on their door to investigate an anonymous complaint about the upbringing of their transgender child. It was this threat that instilled in them a deep-seated fear for their child's safety in the Republican state they called home. And so they uprooted their lives to the more trans-accepting Northeast United States, though they were never far from the hate and fear resting at the nation's core. Intimate, lyrical and thought-provoking, *A Girlhood* is an ode to Hays's brilliant, brave child, as well as a cathartic revisit of the pain of the past. It tells of the brutal truths of being trans, of the sacrificial nature of motherhood, and of the lengths a family will go to shield their youngest from the cruel realities of the world. Hays asks us all to love better, for children everywhere who are enduring injustice and prejudice just as they begin to understand themselves. *A Girlhood* is a celebration of difference, a plea for empathy, and a hope for a better future, but moreover, it is a love letter to a child who has always known herself and is waiting for the rest of the world to catch up.

*A Girlhood* Rick James, 2022-09-24 THIS IS NOT A BOOK BY CAROLYN HAYS, NOR IS IT AFFILIATE WITH THEM. IT IS AN INDEPENDENT PUBLICATION BY RICK JAMES, THAT SUMMARIZES THEIR BOOK IN DETAIL. Gina Gina Large,2002 Relates the author's traumatic and very reluctant transgender journey of self-discovery, as it happened, from May 2001. This book offers an insight into the suffering of gender dysphoria and the inevitable gender identity crisis.

Love Makes a Family Peggy Gillespie,1999 This handsome volume combines interviews and photographs to document the experiences of lesbian, gay, bisexual, and transgendered parents and their children. It allows all of the family members to speak candidly about their lives, their relationships, and the ways in which they have dealt with the pressures of homophobia. Included in the book are people from a diverse array of racial, ethnic, and economic backgrounds, representing a wide range of family structures. Together, they provide clear evidence that family roles and responsibilities need not be based on gender, and that children thrive in an atmosphere in which understanding, respect, and love transcend the prejudices of the day.
