The Works of Hubert Howe Bancroft: History of Mexico. 1883-88 Hubert Howe Bancroft,1888

Who's Who In Mexico Today Roderic A. Camp,1988-04-04 With the prospect that NAFTA might further erase the border, Americans will increasingly find themselves dealing with important people they have never heard of. Here are brief biographical sketches of decision-makers and trend-setters in government, politics, the military, business, society, the arts, and religion. Emphasis is on people with national prominence, and groups usually neglected, such as women, high ranking military officers, leading clergy, and leaders of opposition parties on both the right and the left; also included are the winners of major prizes and awards, and nearly all the members of the eminent National College. Each article includes a list of sources to corroborate or augment the information. Updated from the 1988 edition. Annotation copyright by Book News, Inc., Portland, OR
