## Friedrich Wilhelm Nietzsche

*You and Me Forever* Lisa Chan, Francis Chan, 2024-09-18 In the same way Francis Chan's book *Crazy Love* changes the way we see our relationship with God, *You and Me Forever* by Francis and his wife, Lisa, radically shifts the way we see our relationship with our spouse. Marriage can be great ... but how would your marriage flourish if you focused on something even greater? Ideal for couples and singles who want to experience God in a new way, this countercultural book: Equips us to pursue a marriage that radiates God's glory Motivates us to make courageous decisions based on devotion to Jesus Helps us prepare ourselves and our loved ones for eternity Shows us how living with an eternal lens sharpens our focus on the here and now Unlike marriage books that narrow our attention to the marriage itself, *You and Me Forever* shows how to prioritize our eternal relationship with our Creator above all things—because only when two people are right with God will they be right with each other.

*You and Me Forever Study Guide* Lisa Chan, Francis Chan, 2024-09-18 This practical workbook from Francis and Lisa Chan equips engaged and married couples to focus first on God so they can enjoy the best marriage He has for them. Drawing on the truths of Francis and Lisa Chan's popular book *You and Me Forever*, this interactive guide includes questions, Bible study, and action steps to help couples: Discover how to glorify God in their marriage Communicate openly about their relationship and its mission Let go of their dreams for marriage and embrace God's design With immediate personal application and rich biblical wisdom, the *You and Me Forever Study Guide* inspires and challenges couples to realize that their marriage isn't really theirs. It belongs to God. It's about eternity. And when they focus first on drawing closer to Christ, they will always draw closer to each other.

*You and Me Forever Workbook* Francis Chan, Lisa Chan, 2015-02-27 In this workbook companion to *You and Me Forever*, Francis and Lisa challenge us to think differently about some of the most important relationships in our lives. A jealous God asks us to pursue Him first and most. If we have Him at the center then life makes sense and everything falls into its proper place. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. This workbook is meant to help take these powerful truths and translate them into action and changed lives. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world.

You and Me Forever Maria Susan, 2019-12 Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: How do I have a healthy marriage? Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, *You and Me Forever: Marriage in Light of Eternity* will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, *You and Me Forever* will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net profits from *You and Me Forever: Marriage in Light of Eternity* will go towards providing food, shelter and rehabilitation for thousands of orphaned children and exploited women in partnership with global charities.

*Loving in the Light of Eternity* Joshua Elzner, 2019-12-12 The first part of this book was written in January and February of 2019 (with slight additions later), as a series of daily reflections on the central themes of the Theology of the Body, and particularly on the mutual enrichment and circulation between the vocations of marriage and virginity, and on the unique beauty of chaste friendships. The second part of this book was written in the late summer and fall of the same year, and picks up on many of the earlier themes, though seeking to penetrate much more deeply into the great Mystery at the heart of the Gospel—the union of the heavenly Bridegroom and his Bride, and indeed the eternal virginal intimacy of the Father, Son, and Holy Spirit. These latter reflections also try much more explicitly to offer a virginal reading of the human body, in order to make contact with the depth of God's intentions for human sexuality. This is a reading, not only in the light of time and nature within the confines of this world, but in the very light of eternity. The third part of this book is a collection of poems

treating of these same themes, and seeking to allow a particular entrance into the radiance of the Trinity's intimacy and the light that pours forth from here into our existence in this world. This radiance bathes our gaze and teaches us to see anew, to hope for, and in some way already to anticipate, the consummation of everlasting intimacy between man and woman within the sheltering embrace of the Father, Son, and Holy Spirit.

*A Marriage For Eternity* Jair Da Silva Lima, 2020-02-26 Version 1.02 In this book, marriage is brought to the light of the Biblical, in the evangelical environment, in the traditional Judeo-Christian school. In God's vision, marriage was created for eternity, but due to human limitations, marriages are lasting, less than a lifetime. God did not create divorce, but this has been increasingly accepted in churches. This book brings a reflection, for couples to think about marriage again for eternity. Here is presented the institution of marriage, in the gaze of the one who created it: God. It is discussed the marriage in the body, in the soul and in the spirit. The care of the heart is explained against divorce. And it ends with the blessing in marriage, in the challenges, of the postmodern period. In the end, the reader will be touched to decide, in a marriage for a life, and for eternity.
